CPS PSG Mission

Support parents in creating a positive, happy and nurturing family environment, which will allow every child an opportunity to learn, grow and fulfil their own potential.

PSG is made up of Mums and Dads who volunteer their time to CPS & our children

- Mums and Dads just like you!
- Passionate about our children's Primary education.
- Being present to support our children achieve their potential.
- Support school and each other to make our children's learning environment even better, **together!**

How you can help CPS and PSG…

Volunteer your time to **support school programmes and PSG events**!

- **When parents are involved in their kids schooling,** is has a positive impact on children's social skills and makes them feel more secure in the school environment!

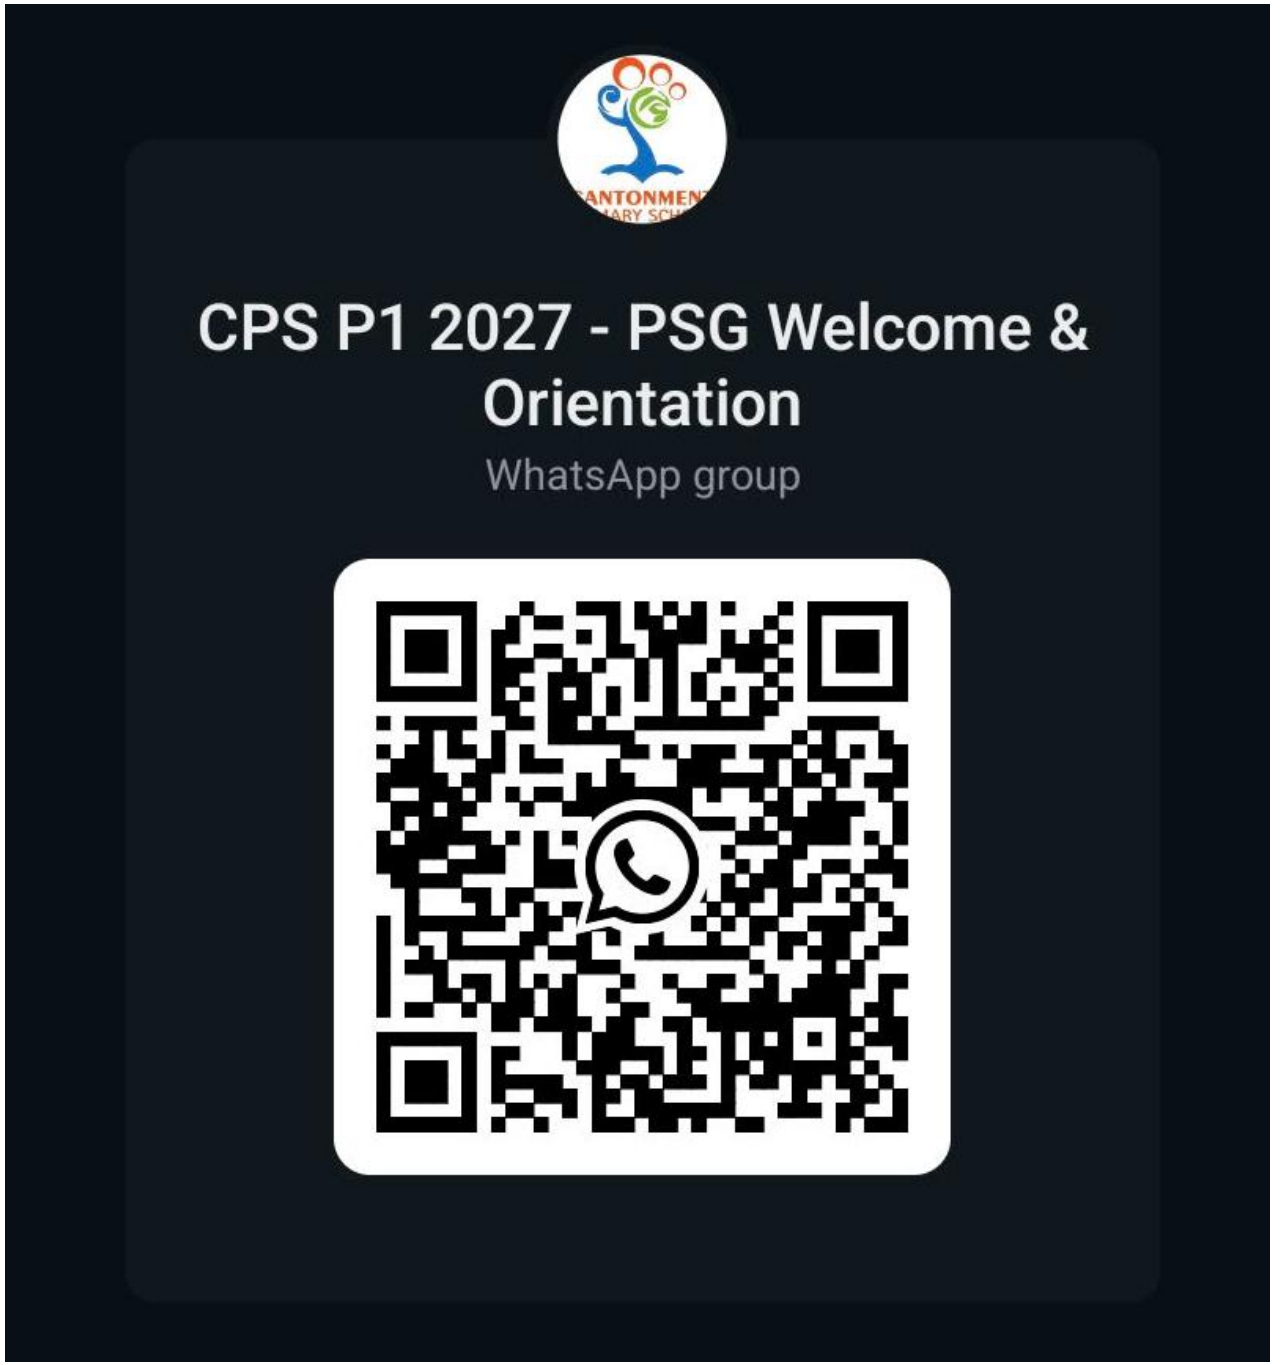

- On the first day of school, sign up on **Meet Up App** and join the group **'Cantonment Primary School - Parent Support' to receive updates on events and sign up!**

- **Participate in learning programs, chaperone field trips and support our events!**

PSG is here to support a good start:
