Concerns

Will P1 be fun like preschool? Will my friends and teachers like me?

I heard that the expectations at P1 are high. Will my child be able to cope?

Key Message #3
Connecting With The Child

Consistent Care and Connection with Child

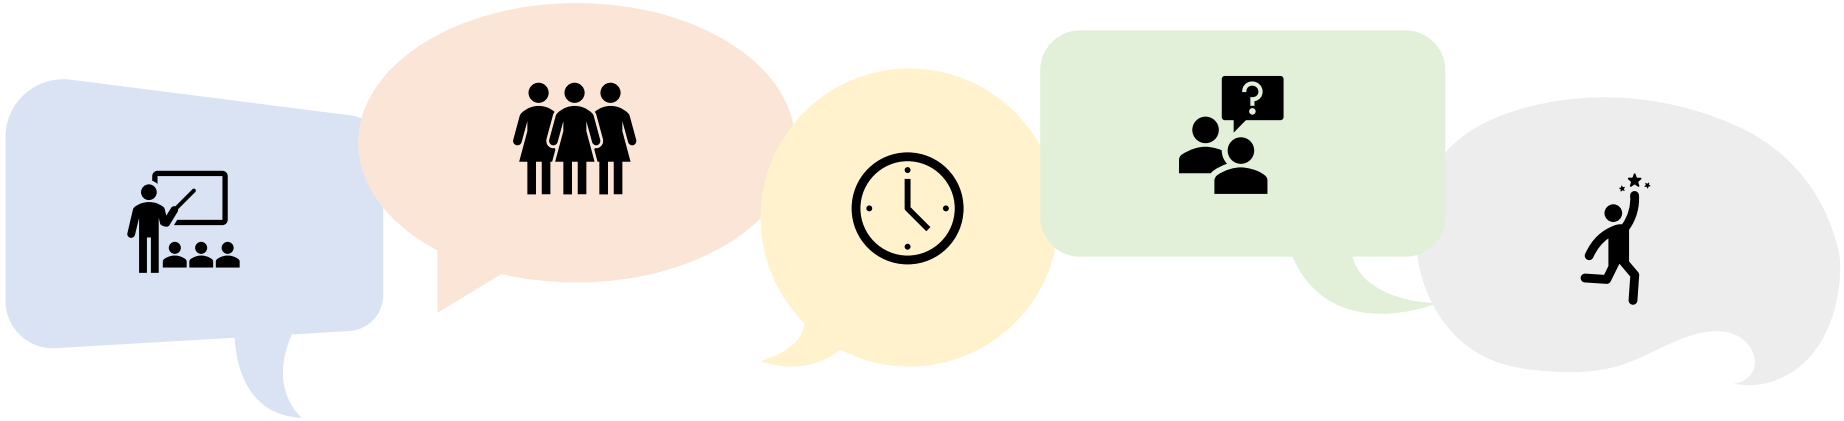

"Time spent with your children peaks in the early years of their lives and declines sharply thereafter. There is a devastatingly short window which you are your child's entire world. Don't blink and miss it."

Connecting With Your Child

You can start talking to your child about the following:

Adjusting to a larger learning environment

Interacting with more peers and teachers

Adapting to longer school hours and new routines

Taking the initiative to ask for help

Becoming more independent and responsible

Try these conversation starters:

Mummy had an enjoyable day at work today. Let's share which was the most enjoyable part of our day.

Let's both remember someone that we met today who did a kind deed for us?

I learnt something new at work today. I am sure you did too. Can we teach each other what we learnt?
