

Dear Parents

Support Chen Su Lan Methodist Children's Home This Youth Day

Methodist Schools Donation Drive 2026
In support of Chen Su Lan Methodist Children's Home

Together We Nurture Every Child and Family to Shine.

Established in 1968, CSLMCH provides shelter, care and protection for residents aged 5 to 21. All children in the Home are victims of neglect or abuse and are admitted through the Ministry of Social and Family Development or by court order.

Residents remain under the care of CSLMCH while social service professionals work closely with their families to assess and prepare parents for reunification. When reintegration is not possible, residents are equipped with the skills and knowledge to achieve independence by the age of 21. The Home provides comprehensive support, including educational assistance, social-emotional coaching, therapy services, spiritual nurturing and life skills programmes.

This Youth Day, stand with us in supporting the children at our Home. With your family's support, we can continue building a nurturing environment where every child has the chance to thrive.
