Dear Parent/Guardian,

2026 Term 2 Updates

At the end of Term 1, our Board generously donated to the school four paintings by renowned local artist Patrick Bazalel. The paintings are on display around the school and are inspired by the Bible. They serve as visual inspiration for our students and staff and are timely gifts to us as we move into Term 2.

One of the paintings (pictured on the left, and installed at our General Office) is entitled *Love of God – Shalom* and depicts Jesus' walking on the sea, bringing peace and stilling the troubled waters. Even as the school year gets busier, we hope that our students will be able to go through each day accompanied by God's peace and strength.

Our focus for this term is on "Encouraging Hearts, Enabling Unity" and we look forward to seeing students grow to be supportive peers to each other, and strengthen their sense of belonging to the school and our community.

On key student development programmes and other updates for the term, please note the following:

CCA Stand Down for Secondary 4/5 Students

Please be informed that all Secondary 4 and 5 students will officially stand down from their Co-Curricular Activities (CCAs) at the end of Week 2. This milestone marks the conclusion of their formal CCA journey in the school.

We would like to take this opportunity to acknowledge and commend our students for their commitment, growth, and contributions to their respective CCAs over the years. Their participation has played an important role in their holistic development and in enriching the school community.

Do note that students who have existing commitments, such as competitions, performances, leadership responsibilities, or scheduled events are expected to continue attending these sessions until their obligations are fulfilled. Thank you for your continued support!

Fairfield Learning Experience (FLEX) Week

All students will participate in the FLEX Week, held on 20 – 22 May 2026. FLEX provides opportunities for our students to experience the joy of learning through a series of hands-on educational programmes or a camp.
