

(For Graduating JV-nites) Student iCON users
Google Takeout Guide to Back up Student iCON Data
based on SSOE2 version 1.4 | 4 October 2024

Note to JV-nites:

Graduating students **will not have access** to your Student ICON mail by **31 Dec 2024** and thus advised **to back up or export your Student iCON data before 31 Dec 2024.**

1. Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps).....Page 5

Option B: Download your data (applicable to all Google apps)..... Page 10

2. Part 2 - Backup Student iCON data without personal Gmail Account

Option A: Download your data (applicable to all Google apps).....Page 15

Note on use of different browser windows for transfer of content

For a more optimal experience when transferring your content with Google Takeout, you are recommended to **use 2 different browser windows** for **login to Student iCON account and personal Gmail account**. Please refer to the following for more information for the various web browsers.

Google Chrome web browser – 1 browser window for login to Student iCON account and 1 Incognito window for login to personal Gmail account. Refer to this [link](#) on how to browse in Incognito mode.

Microsoft Edge web browser – 1 browser window for login to Student iCON account and 1 InPrivate window for login to personal Gmail account. Refer to this [link](#) on how to browse in InPrivate mode.

Safari web browser – 1 browser window for login to Student iCON account and 1 Private window for login to personal Gmail account. Refer to this [link](#) (for iPad) and this [link](#) (for Mac) on how to browse in Private mode.

Firefox web browser – 1 browser window for login to Student iCON account and 1 Private window for login to personal Gmail account. Refer to this [link](#) on how to browse in Private mode.

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

Before logging in below, refer to **slide 4** for more information on the use of the various web browsers.

- 1 Login to Student iCON:
<http://myaccount.google.com/>
- 2 Under "Data & privacy",
Click on "**Start transfer**" on the
"Transfer your Content" widget
- 3 Enter your destination account to
transfer your data.
→ Click "**SEND CODE**"

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

4 Check your destination email account inbox. You will receive an email to Verify your account.

→ Click “**Get confirmation code**”

5 Copy the confirmation code generated.

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

6 Return to Google Takeout.

→ Enter the code under “Verify your destination account”

→ Click “**VERIFY**”

← Transfer your content

✓ 1. Code sent to [<Your destination email account>](#)

2. Verify your destination account

Check your [<Your destination email account>](#) email for a confirmation code and enter it here. It may take a few minutes for the email to appear in your inbox. [Learn more](#) [🔗](#)

VERIFY RESEND CODE

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

- 7 Once destination account has been successfully verified,
→ Click **"START TRANSFER"**

The screenshot shows the 'Transfer your content' screen. At the top, there is a back arrow and the title 'Transfer your content'. Below this, a green checkmark indicates '2. Account verified'. The main section is titled '3. Select content to copy and transfer' and includes a sub-instruction: 'Choose the content you'd like to copy and transfer to the other account. People you've shared files with will still have access to the originals. [Learn more](#)'. To the right of this text is an icon representing Google Drive and Gmail. Below the instruction, there is a visual representation of the transfer: a source account icon followed by '<Your Student iCON email>', an arrow pointing to a destination account icon followed by '<Your destination email>'. Underneath this, there is a table with two columns: 'Product' and 'Details'. The table lists 'Drive' with the detail 'My Drive files, Files you own' and 'Gmail' with the detail 'All mail'. Each row has a toggle switch on the right, both of which are currently turned on. At the bottom, it says 'Copy and transfer to' followed by '<Your destination email>' and a 'Change' link. A red box highlights the 'START TRANSFER' button at the bottom left, with a yellow callout bubble containing the number '7' pointing to it.

← Transfer your content

✓ 2. Account verified

3. Select content to copy and transfer

Choose the content you'd like to copy and transfer to the other account. People you've shared files with will still have access to the originals. [Learn more](#)

<Your Student iCON email> → <Your destination email>

Product	Details
Drive	My Drive files, Files you own
Gmail	All mail

Copy and transfer to <Your destination email> [Change](#)

START TRANSFER

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

- 8 All set!
- You'll receive an email once the export is complete.

8

← Transfer your content

✓ You're all set

Your copy and transfer to [<Your destination email>](#) is in progress. It may take up to a week for the transfer to complete. You'll receive an email when it's finished.

Part 1 - Backup Student iCON data to your personal Gmail Account

Option B: Download your data (applicable to all Google apps)

4 Under "Choose file type, frequency & destination"

→ Click "**Create export**"

The screenshot shows the Google Takeout interface. At the top, there is a back arrow and the text "Google Takeout". Below this is a section titled "2 Choose file type, frequency & destination". Under this title, there is a radio button selected for "Export every 2 months for 1 year". Below this, it says "6 exports". The section "File type & size" is expanded, showing ".zip" as the selected file type with a dropdown arrow. Below this, it says "Zip files can be opened on almost any computer." The "2 GB" size is also selected with a dropdown arrow. Below this, it says "Exports larger than this size will be split into multiple files." At the bottom right of the form, there is a blue button labeled "Create export" which is highlighted with a red rectangle. A yellow callout bubble with the number "4" points to this button.

Part 1 - Backup Student iCON data to your personal Gmail Account

Option B: Download your data (applicable to all Google apps)

5 All set!

You'll receive an email once the export is complete.

The screenshot displays the Google Takeout interface. At the top, a back arrow and 'Google Takeout' are visible. Below this, a section titled 'CREATE A NEW EXPORT' contains two steps: 'Select data to include' (marked with a checkmark and '40 of 40 selected') and 'Choose file type, frequency & destination' (also marked with a checkmark). The 'Export progress' section shows a clock icon and text: 'Google is creating a copy of files from 40 products. This process can take a long time (possibly hours or days) to complete. You'll receive an email when your export is done.' Below this are two buttons: 'Cancel export' and '+ Create another export'. A message states 'Your Google data is ready to download'. Below this is an email preview from 'Google Takeout <noreply@google.com>' to 'me'. The email content includes the Google logo, the text 'Your account, your data.', and a message: 'We've finished creating a copy of the Google data you requested on November 8, 2021. You can download your files until November 16, 2021. Your download will contain data from 41 products.' There are two buttons in the email: 'Manage exports' and 'Download your files'. At the bottom of the email preview, it says 'This message was sent to you because you recently used Google Takeout' with links for 'Privacy Policy' and 'Terms of Service'. The Google logo is at the bottom right of the email preview. The entire screenshot is surrounded by several yellow diagonal brush strokes.
