Dear Parents/Guardians,

Term 4 has been a season of celebration, connection and meaningful learning. Our Lakers marked Children's Day with joy and purpose at B'RIGHT Day, coming together with seniors from THK Active Ageing Centre and our Parents Support Group in the true spirit of our B'RIGHT Culture — Care, Lead, Think. Students collaborated, performed, gave back to the community and celebrated one another, embodying the spirit of a WE Generation.

ST 1 Nurturing Future-Ready Lakers

2. Student Leadership Development (SLD) — Opportunities for Your Child in 2027

We are pleased to share the leadership opportunities available for your child in the coming year. The school identifies student leaders at the end of their P2, P3, and P4 years, catering to students who develop at different paces, and we look forward to your continued partnership in nurturing your child's leadership journey.

3. Recognising Our Level 1 Leaders — Class EXCO

We would like to take this opportunity to congratulate and express our heartfelt appreciation to all our Class EXCO members this year — our Class Monitors, ICT Monitors, Environment Monitors, PE Monitors, Art Monitors, and Music Monitors. As we look ahead to 2027, the Class EXCO election and selection will once again be conducted at the start of the year by every class form teacher and subject teachers. Class EXCO appointments will be confirmed at the Class EXCO Appointment Ceremony at the end of Term 1, with a term of service of one year. We encourage all students to step forward and embrace this opportunity to serve their class and develop their leadership qualities.

4. Level 2 Leadership Opportunities — For Parents of P2, P3, and P4 Students

Beyond the Class EXCO, the school also identifies students for stretch leadership opportunities as Peer Support Leaders (PSLs), CCA Leaders, and Prefects. We would like to highlight the following pathways relevant to your child:

For Parents of P2 Students	Your child may be identified as a Peer Support Leader (PSL) through cohort level-wide identification at the end of P2. PSLs play an important role in supporting their peers and contributing positively to the class and school community.
For Parents of P3 Students	Your child may be considered for the following leadership roles at the end of P3: • CCA Leaders will be selected from P3 CCA members at the end of the year. • P3 PSLs will also have the option to switch to be appointed CCA Leaders if identified. • Cohort Prefect selection will also be made from P3 PSLs at the end of P3, where P3 PSLs will have the option to switch to be appointed Prefects if identified. • For P3 classes with no or few PSLs, there will be a class-based identification of new PSLs, providing an additional opportunity for deserving students to be recognised as Peer Support Leaders.
For Parents of P4 Students	Your child may be considered for the following leadership roles at the end of P4: • CCA Leaders will be selected from P4 CCA members at the end of the year. • P4 PSLs will also have the option to switch to be appointed CCA Leaders if identified. • Prefects will be selected from P4 CCA Leaders and PSLs at the end of P4, where P4 CCA and PSLs will have the option to switch to be appointed Prefects if identified.

What to Expect After Appointment

In their first year of appointment, identified student leaders will undergo an induction and trial period in their new leadership role in Semester 1 (January to May). Their appointment will be confirmed during the annual Student Leaders Investiture in Term 3.

The term of service for Student Leaders spans 2 to 4 years. Once appointed, their leadership role will be renewed annually until graduation in Primary 6, provided they maintain good conduct and receive positive feedback from teachers.

All selection and consideration matters will be managed by the school's SLD and CCA teams. Parents of identified P2, P3, and P4 students will be informed of the selection results if offered Student Leadership appointments.

Should you have any queries, please do not hesitate to reach out to your child's form teacher or the school's SLD team.
