BELONG WHERE CHANGE BEGINS

Nursing Sponsorship Programme
at Eastern General Hospital

Write the next chapter
of healthcare and create
what matters for our
patients and community.

Being part of the team building a new hospital

is incredibly meaningful and significant. At Eastern General Hospital (EGH), you have the opportunity to shape healthcare and make a difference where it counts.

Get a head start in your nursing career with EGH's nursing sponsorship programmes that will empower you to achieve your academic and career goals. With EGH, you can expect a:

Purpose-driven Career

Be part of the team shaping healthcare and building a healthier tomorrow for you and your community.

Pathway to New Possibilities

Thrive on a rewarding journey of continuous growth and realise your academic and career aspirations with us.

Focus on You

Our people are at the heart of all we do. You matter, and we are committed to empowering you and helping you succeed in work and life.

As a sponsored student, you can look forward to:

Sponsored
tuition fees

Study
awards

Monthly
allowances

Learning
opportunities with
nursing professionals

Eastern General Hospital

is an upcoming hospital under SingHealth with about 1,000 beds. To meet Singapore's growing healthcare needs in the east, we will provide inpatient and outpatient services across a comprehensive range of clinical specialties. Powered by innovation and smart technologies, we have begun serving patients virtually before our physical hospital is ready around 2029.
