Recommended English Reading List

For Primary 6 Pupils

Dear Parents/Guardians,

It is with great pleasure that we welcome your daughter to Primary Six! We look forward to helping your child continue to develop the skills and abilities that will enable her to become a successful, life-long learner.

You are your daughter's first and most important teacher. Reading serves as the major foundational skill for all school-based learning. Helping your child develop into a proficient reader is a gift that will last a lifetime. These few, simple strategies and actions can make a significant difference in helping your child maintain and extend her literacy skills.

 **Read together with your daughter every day. If you think a book is too much, read short articles from the newspaper.**

 **Your daughter can read books or articles to you, her younger siblings, and/or older siblings.**

 **Discuss the books and articles you have read with your daughter. Get her to voice her opinion on the subject matter.**

 **Don't forget to pack a book wherever you go during the holidays.**

 **Visit the public library regularly to borrow books that are not found in the school library.**

 **Download National Library app to borrow ebooks which your daughter can read on her mobile phone.**

We hope this is the beginning of an enjoyable and enriching journey for your child and you!

Happy Reading!
