For allocation of subjects & classes, school will consider:

- Merit
- Preference,
- Readiness for the subject's rigor
- Post-sec plans
- Availability of school resources

# Offering Subject(s) at More Demanding Level (MDL)

- Students can offer to take subjects at a MDL based on the following criteria:

| Current level | OVERALL results | Option to offer subject at |
|---|---|---|
| G1 | ≥75% in the specific subject + subject tr's recommendation | G2, starting from next semester |
| G2 | ≥75% in the specific subject + subject tr's recommendation | G3, starting from next semester |

# Offering Subjects at More Demanding Level (MDL)

- Students **currently reading** subjects at a MDL may **continue** to do so in Sec 3 based on the following considerations:

| Course | To continue with subject(s) at MDL in Sec 3 |
|---|---|
| **G2** | Obtain OVERALL **≥ 50%** for the subject(s) at MDL at the end of Sec 2 |
| **G1** | |

# Offering Subjects at Less / More Demanding Levels (LDL / MDL)

- Students' subject levels may be adjusted across their secondary school journey.
- If students are unable to cope with their current subject levels, there is flexibility to offer the subject(s) at LDL based on the school's holistic considerations.
- Students who offer subjects at LDL may subsequently offer the subject at MDL level as they gain greater competence and confidence in the subject.
