Notes:

- All applicants should refer to the full set of qualifying criteria, as indicated here.

- IPOS will not look to retrospectively recognise any other courses. Instead, IPOS will work with partners to ensure continued accessibility of training for new applicants. For applicants to the technical list, it is sufficient to complete the "In-Person Foundational Module (with Revision & Exam)" of the APIEx Membership Accreditation Course. However, there is an additional requirement of completing the SUSS Patent Law module. For further details please contact IPOS_HMD@ipos.gov.sg.

- If you are applying to join the List of Experts after the above courses have been run, please contact IPOS_HMD@ipos.gov.sg (for technical experts).
