

THE SCHOOL SONG

FROM HIGH OLYMPUS

From High Olympus flows to us the glory
on us the sacred fire descends
Rise, sisters rise, the world is all before ye
Fear not to grasp what fortune sends

[Chorus]

Sisters in learning, and sisters at heart
life lies before us, here's luck to the start

A little while, the sun shines high above us
and youth's elixir fills our veins
The magic fire that moves the gods to love us,
the fire by which the will attains

[Chorus]

So heart to heart, we'll scale the heights of learning,
no mean desires our days shall shame
Whole-hearted, true, with pride and ardour burning,
on sisters on to life and fame

[Chorus]
