

PASS IT ON

It only takes a spark (woohoo) to get the fire going
And soon all those around (woohoo) can warm up in its glowing
That's how it is with our love, once you've experienced it,
you'll spread the love to everyone,
you'll want to pass (to pass) it on

Pass it on, pass it on, pass it pass it pass it on

What a wondrous time is spring (woohoo), when all the trees are budding
The birds begin to sing (woohoo), the flowers start their blooming
That's how it is with our love, once you've experienced it,
you'll want to sing, it's fresh like spring,
you'll want to pass (to pass) it on

Pass it on, pass it on, pass it pass it pass it on

I wish for you my friend (woohoo), this happiness that I've found
You can depend on us (woohoo), it matters not where you're bound
I'll shout it from the mountaintop - RAFFLES!

I want the world to know
The flame of love has come to me
I want to pass (to pass) it on

Pass it on, pass it on, pass it pass it pass it on...
