

RAFBLOOD

CALL: RAFFLES RESPONSE: RAFBLOOD!

Starting rhythm: Clap Stomp Clap Stomp

We've got the RAFBLOOD flowing
From our heads to our feet
And the Olympus flame is burning
Can you feel the heat

We're watching your every move with EAGLE EYES
And Rafflesian strength will lead us on to TOUCH THE SKIES

Cos we got pride YEAH
And we got passion YEAH
We got soul YEAH
And we got speed YEAH
Pride, passion, soul and speed
