

Partners LinkUp

Empowering Communities,
Connecting Care

WHAT IS IT?

Partners LinkUp is a feature within NHG Partners Portal that triggers notifications to community partners when their clients interact with NHG healthcare services.

WHY DID WE DEVELOP IT?

- To address the lack of communication and information sharing among providers.
- To promote effective care coordination and ensure better outcomes for our residents.

Date	Name	NRIC	Date of Birth	Visit Type	Status	Hospital	Location	Clinical Discipline
3 Sep 2024	Sam Smith	S****091F	** ** 1990	Inpatient	Admitted	Tan Tock Seng Hospital	Ward SA - General Inpatient Ward	-
3 Sep 2024	Jen Clark	S****091F	** ** 1990	Inpatient	Discharged	Khoo Teck Puat Hospital	Ward SA - General Inpatient Ward	-
2 Sep 2024	Betty White	S****091F	** ** 1990	ED	Admitted	Woodland Health	-	-
2 Sep 2024	Hayden Cho	S****091F	** ** 1990	ED	Discharged	Yishun Community Hospital	-	-

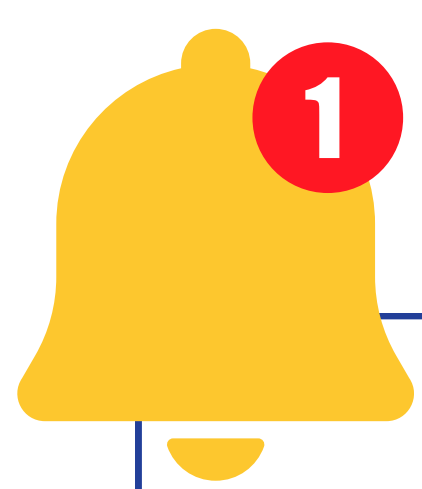

SUPPORTING HOSPITALS AND PARTNERS, TRANSFORMING CARE COLLABORATION

Enable data-driven decisions and prompt interventions

Ensure continuity of care in the community

Improve patient health outcomes through supported discharge

Increases operational efficiency and reduced call volumes
