

CHILDREN'S MEDICAL FUND (CMF)

Theme: Neighbourhoods

CMF is a fund to make quality medical treatment accessible to children and youth suffering from any chronic or life-threatening or severe illnesses and affordable to their guardians. We are currently conducting sense making to find out gaps in the sector in supporting children and youth with chronic illnesses and their family members.

IMPACT

Supported medical treatment
children and youths

WORK IN PROGRESS

Reaching out to healthcare
professionals to hear the
views about current gaps in
the sector

Offer

- Financial assistance as a last resort fund to support the medical treatment of children and youths
- Co-create programmes to support children and youth with chronic illnesses and their family members
