2026 AMKP TERMLY LETTER – TERM 4

Dear Parents/Guardians,

We hope the September holidays have provided your child/ward with a welcome break. As we begin the new term, we would like to share relevant school matters and other key information.

2. Recap of Term 3 Key Activities: Nurturing Hearts and Minds

Term 3 has been filled with meaningful experiences that continued to nurture our students as Confident Persons, Joyful Learners and Caring Citizens. During Mother Tongue Fortnight, our students immersed themselves in the richness of Chinese, Malay and Indian cultures through engaging experiences such as traditional performances, games, arts and crafts, as well as cultural exhibitions. From Chinese *kuaiban* and Malay *Wayang Kulit* to Tamil *Mayilaattam*, these experiences brought language and culture to life, fostering curiosity, creativity and a deeper appreciation of Singapore's multicultural heritage. Our Primary 5 Camp Resilience also provided opportunities for our students to step out of their comfort zones, persevere through challenges and strengthen their confidence, teamwork and friendships.

Beyond the classroom, our students continued to grow as caring and responsible members of the community. Through Play Inclusive, our students learnt important lessons about empathy, patience and inclusion through sport, while our Primary 5 students demonstrated leadership and service by planning activities for their peers as part of their Values-in-Action programme. Our National Day celebrations, which included seniors from St Luke's Eldercare, provided a meaningful opportunity for our students to learn from the experiences of our pioneer generation and deepen their appreciation of Singapore's journey.

As we rounded off the term with our Teachers' Day celebrations, our students and parents took time to pen notes of appreciation to the teachers and staff for their dedication in nurturing our students, inspiring the joy of learning and caring for every child. Together, these rich and varied experiences reflect AMKP's continued commitment to nurturing Confident Persons, Joyful Learners and Caring Citizens, and empowering every child to Rise and Shine.

For more information on our Term 3 programmes and activities, please follow us on Facebook or Instagram.

<https://www.angmokiopri.moe.edu.sg/resources/parents/letters-n-circulars/>

Detailed information on the respective assessments and events will be shared separately. We kindly request parents and guardians to enable notifications on the Parents Gateway app to receive timely information on school activities.

5. Attendance and Punctuality Expectations

Regular attendance has a significant impact on a child's learning and holistic development.

A child who is frequently absent will miss out on the learning experiences in school. It may also affect the relationships that students build with their classmates. Students are expected to attend school during term time unless they are unwell or have been granted leave for valid reasons. As such, we strongly discourage parents/guardians from taking their child/ward out of school during term time. Please submit the medical certificate or valid documentation to the form teacher upon your child/ward's return to school after an absence. Please refer to our Student Handbook (page 8) for more details.

We strive to instil the value of punctuality in our students. **All students are expected to be in school by 7.30 a.m. Late arrivals (after 7.30 a.m.) will be recorded**, and a notification letter will be issued to parents for students who are late five times within five weeks. **We seek your help in ensuring that your child/ward comes to school punctually. Please note that persistent late-coming will affect your child/ward's overall conduct grade.**

We also encourage all students to bring a storybook to school and start their day with reading before flag-raising, thereby cultivating a positive reading habit.

Monday	Tuesday	Wednesday	Thursday	Friday
English Storybook	English Storybook	Mother Tongue Storybook	Mother Tongue Storybook	A book of their choice

6. Updating of Student Details Form

With reference to our Term 1, Term 2 and Term 3 letters on the updating of your child's/ward's information including medical declarations via the Student Details Form (SDF), we would like to urge parents/guardians to complete the form by **Monday, 21 September 2026** if you have not done so.

Please submit the information through the SDF portal which can be accessed via this URL: <https://pg.moe.edu.sg/forms/sdf> or the QR code below.

Parents/Legal Guardians may log in to the SDF portal using Singpass account to submit their information and that of their child/ward. Authorised Caregivers can only submit their own information.

The SDF portal can be accessed via computers or mobile devices.

Please note that the SDF portal will be accessible till the last day of Term 4 for you to provide timely updates of your information and/or your child's/ward's information.

7. Parent Support Group (PSG) and Parent Volunteers Involvement

a. Breakfast with Dad Programme

We are delighted to organise our inaugural Breakfast with Dad Programme for our Primary 1 to Primary 3 pupils and their fathers on Saturday, 12 September 2026. More than 100 participants joined us for this special morning of bonding and connection. Through breakfast, engaging activities and meaningful conversations, the programme provided our students and their fathers with dedicated time to connect, create shared memories and strengthen their bonds. It was heartwarming to see our students and their fathers enjoying precious moments together and making the morning a truly meaningful and memorable one for our AMKP families.

b. Parent Support Group (PSG) and Parent Volunteers Involvement

We extend our heartfelt appreciation and gratitude to the Parent Support Group Executive Committee (PSG EXCO) and parent volunteers for their ongoing support. Your partnership and assistance with the various school programmes and activities in Term 3 have enabled the school to provide a well-rounded education for all our students.

As we continue to plan purposeful activities for our students, we warmly welcome all parents to join the PSG and look forward to their support and participation. Interested parents can sign up to be a PSG member by completing an online form available at:
