HANDLING ONLINE CONTENT WISELY

ENCOURAGE CRITICAL THINKING

Teach your child to ask:

- Is this information true?
- Who created it?
- Can I trust this source?

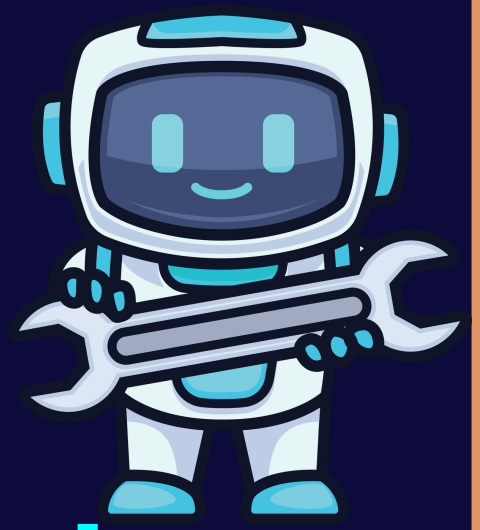

REMIND THEM:

- Not everything online is accurate
- Avoid spreading false information
- Respect copyright and ownership

BUILDING A POSITIVE DIGITAL PRESENCE

Your child's online actions shape their digital footprint.

ENCOURAGE THEM TO:

- Share kindness and positivity
- Support others online
- Use technology for learning and growth
- Represent themselves responsibly

REMINDER:

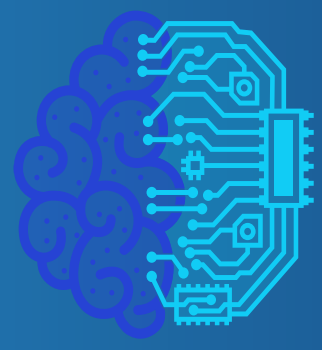

What goes online can last a long time.

HOW PARENTS CAN SUPPORT

BE INVOLVED, INFORMED, AND ENGAGED

Parents can:

- Talk regularly about online experiences
- Set clear family digital boundaries
- Explore apps and platforms together
- Model respectful online behaviour
- Encourage open communication
