Ask yourself – What are my strengths, interests and abilities?

School Culture

What is the school's culture and identity?

Learning Environment

03

Programmes

Does the school offer programmes that I enjoy and can develop my strengths and potential?

04

CCAs

Are there CCAs that interest me and can develop my strengths and potential?

05

https://go.gov.sg/pathwaynavigator

The previous year's PSLE score range via SchoolFinder or MySkillsFuture Student Portal should only be used as a guide.

Make full use of all 6 school choices and shortlist schools with different cut-off points (COPs).

In choosing secondary schools, it is not about getting into the most popular school but the school that can develop your strengths, interests and abilities.

You are strongly encouraged to include at least 2 to 3 schools where your PSLE score is better than the school's COP in previous years.

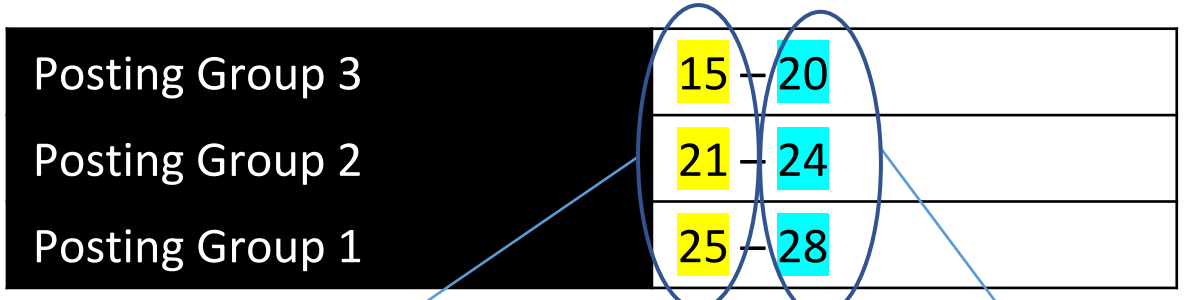

- COPs of schools can fluctuate by a few points from year to year, depending on each cohort's PSLE results and school choices.
- Meeting the COP of a school does not guarantee admission.
- Rank your preferred school higher to increase your chances of being posted to that school, especially if there is a need to undergo tie-breaking.

Understanding the PSLE Score Ranges

Use the PSLE score ranges as a guide to explore school choices via SchoolFinder

Example

XX Secondary School
PSLE score range of YYYY

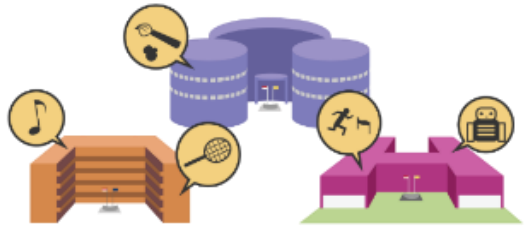

PSLE score of the first student posted to the school through the respective Posting Groups.

PSLE score of the last student posted to the school through the respective Posting Groups-i.e. the school's **cut-off point (COP)**

- The PSLE score range shows the PSLE score of the first and last student admitted to a school in the previous year through S1 Posting.
- For each school, the cut-off point (COP) is determined by the PSLE score of the last student posted to that school in each Posting Group.
- More importantly, consider schools that will fit your strengths, interests, abilities, talents and learning needs, and are not too far for you to travel daily.
