1. President's Award for Teachers (PAT) and Outstanding Young Educators' Award (OYEA)
Every year, the **President's Award for Teachers** (PAT) and **Outstanding Young Educators' Award** (OYEA) (formerly known as the Outstanding Youth in Education Award) are presented to teachers in Singapore to recognise their professional excellence. Both OYEA and PAT are national awards.

a) PAT pays tribute to experienced teachers for their role in moulding the future of our nation. These teachers are role models for the teaching profession as they embody a deep passion for teaching, and they inspire both their students and peers through their words and deeds.
b) OYEA recognises young teachers who have demonstrated admirable passion for teaching, and commitment to inspiring and nurturing their students. These teachers embody youthful idealism, energy and enthusiasm, and inspire both their students and peers through their words and deeds. Teachers who are 35 years old and below in 2027 are eligible for the award.

Please visit the Academy of Singapore Teachers website for more information on PAT and OYEA.

As parents/guardians, we encourage you to speak with your child/ward about the teacher(s) who have positively influenced their school experience, and to nominate them for the awards. Through your nomination, you can recognise and affirm the dedication, care and contributions of teachers who have made a meaningful difference.

We would like to invite you and your child/ward to submit your nomination(s) for one or more deserving teacher(s) by clicking on the links below. The nomination period for the PAT and OYEA 2027 is from **14 October 2026 (Wednesday)** to **8 January 2027 (Friday)**.

Thank you for your support in recognising the contributions and impact of our teachers!

2. Safety Advisory - Bringing of Sharp Objects to school
We are writing to seek your continued partnership in maintaining a safe and conducive learning environment for all our students.

Recently, we have noticed a trending toy among children—a "pimple-popping" squishy toy. While it appears to be a harmless stress-reliever, some variations of this toy come equipped with a sharp, syringe-like tool used to refill the toy, which may pose a safety risk if brought to school or handled inappropriately.

We recently managed an incident in school involving this specific tool. The situation was attended to promptly, but it serves as a timely reminder for us to remain vigilant about items that may pose unintended safety risks to our students.
The Consumer Product Safety Office (CPSO) has also recently raised concerns about the serious risks these specific toys pose to children. You may read more about this in the following Straits Times article here:

**How You Can Help:** We seek your support to:

1. **Check your child's/ward's belongings:** Please ensure she does not bring or other non-school related items with sharp components or potential safety hazards to school.

2. **Have a conversation:** Speak with your child/ward about the importance of safety and why toys are best left at home.

For your reference, we have included an image of the refill tool below to help you identify it.

Thank you for your vigilance and unwavering support in keeping our school community safe.

3. Home Team Festival 2026

Our school's friendly neighbourhood police centre would like to invite all of us to the Home Team Festival 2026!

**Date:** 20 – 22 Nov 2026 (Fri – Sun)

**Venue:** Suntec Convention Centre, Level 4, Halls 401 – 406

Come meet our #HomeTeamHeroes and look forward to exciting highlights such as Ops Demonstrations & K-9 shows, vehicle & equipment displays, smoke-logged confined maze, Home Team kiddy rides and shooting range.

Participate in the event to find out how we can play a part in keeping Singapore safe and secure!

4. P6 Graduation Day and Honours Day 2026

P6 Graduation Day will be held on Thursday, 19 November 2026. As the event is only for P6 students, P1 to P5 students **do not** need to come to school on that day.

We will be celebrating our Honours Day on Friday, 20 November 2026 from 9.00 am to 11.30 am. We are also officiating the launch of our Learning Forest and this will be live streamed before the start of Honours Day at 8.45 am. Only Primary One to Five prize recipients and concert performers need to attend the event. Students involved will be briefed on the details for the event.

Primary Six prize recipients will receive their awards during P6 Graduation Day on 19 November 2026 from 8.30 am to 10.30 am.

All other students **do not** need to be in school for Honours Day. Due to space constraints, we will only be able to invite a maximum of two family members of prize recipients from Primary One to Five to attend the event. The invitation will be sent out in Week 9 of this term.

We congratulate all prize winners in advance as we affirm their efforts.

Thank you.
