1. Transport Ambassador Programme

We are pleased to share that our school is partnering with the Land Transport Authority (LTA) to participate in the Transport Ambassador Programme (TAP), an engaging initiative aimed at promoting sustainable transport habits among students.

The programme consists of three components :

- Assembly Show - Let's Flip the Future! (conducted on 27 April 2026)
- Roving Exhibition – 6 July to 10 July
- Green Commute Challenge - 6 July to 20 July

Through these activities, students will learn about sustainable transport options in Singapore and gain a deeper understanding of how their daily commuting choices can contribute to a greener and more sustainable future.

Please refer to the attached information provided by LTA for more details on the programme.

We look forward to your support in the Transport Ambassador Programme. If you have any queries, you may email to lim_sok_yen@schools.gov.sg.

2. RGPS Library Week 2026

RGPS Library Week is back from 27 to 31 July 2026 with an exciting line-up of programmes and activities designed to spark curiosity, creativity and a love for reading in every pupil.

This year's theme explores how stories can inspire inquiry, imagination and problem-solving through STEM (Science, Technology, Engineering and Mathematics). Through engaging assembly programmes, author showcases, interactive challenges, hands-on activities and themed book displays, pupils will discover how reading can inspire curiosity, creativity and new ways of thinking.

Dates	Activities
27 Jul (Mon)	<u>Assembly Programme</u> P1 & P2 – “Where Stories Spark Curiosity” featuring a STEM-related Magic Show by the Science Centre and a Meet-and-Greet Session with Story Characters presented by Drama CCA. P3 – P6 – A.J. Low (Adan Jimenez & Felicia Low-Jimenez), authors of the popular Sherlock Sam series, will share how observation, logical reasoning and problem-solving are woven into the Sherlock Sam mystery series. <u>P1 & P2 Recess Activities</u> Pupils will also participate in themed recess activities inspired by Charlotte's Web and Stuart Little. Activities include: • Photobooth • Crochet Bookmark Activity • Sailboat-making Activity For the photobooth activities, pupils are invited to bring simple, creative accessories or handmade props inspired by the stories, such as animal-themed headbands. Pupils will enjoy taking photos with their friends while celebrating stories, imagination, creativity and STEM-inspired exploration. Here are a few important guidelines to keep in mind: • Pupils must arrive and leave school in their school uniform. • Accessories will be put on in the school hall before assembly.

	- We encourage pupils to use recyclable materials such as newspapers, cardboard boxes, fabric scraps and paper bags to creatively design and craft their props while encouraging imagination, innovation and STEM-inspired exploration. - All accessories should be safe and school-appropriate. We invite you to support your child by helping her gather clean recyclable materials and encouraging her to create props inspired by the stories. Together, let us celebrate reading, imagination, creativity and STEM-inspired learning.

4. Road Safety Posters

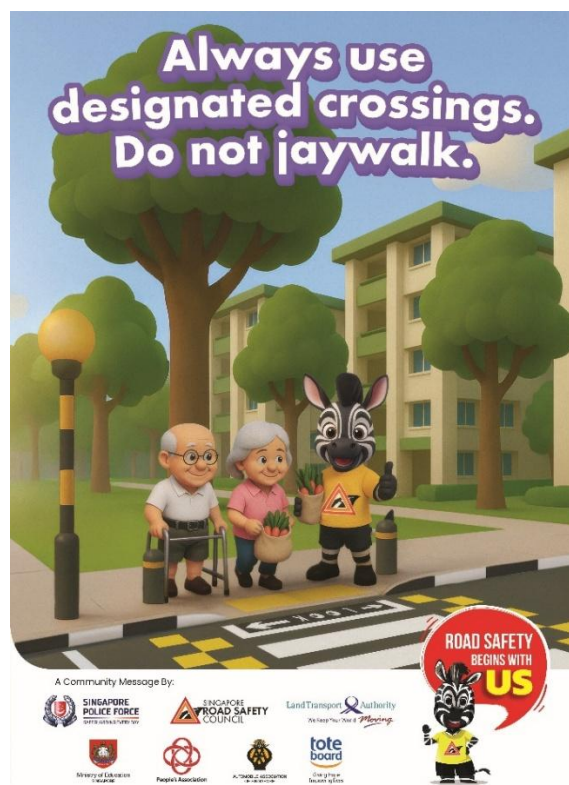

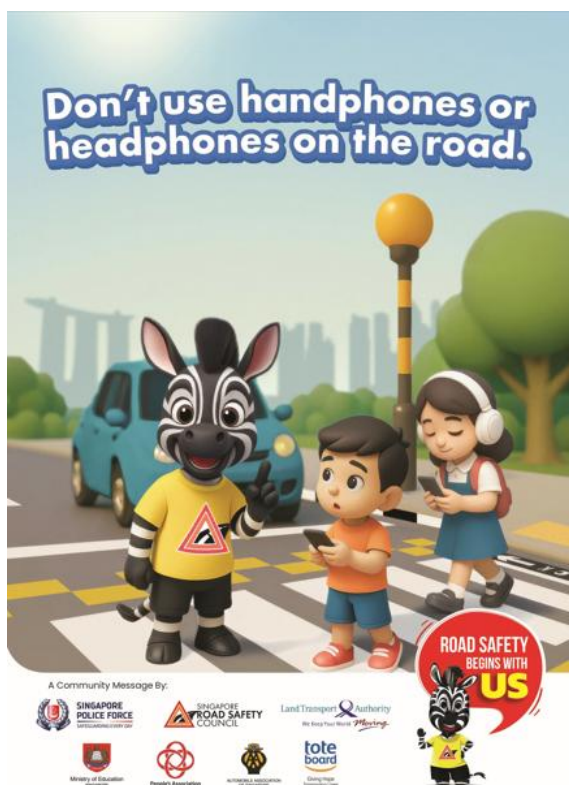

The Singapore Road Safety Council (SRSC), together with the Traffic Police (TP), Land Transport Authority (LTA), Ministry of Education (MOE), People's Association (PA), and Automobile Association of Singapore (AAS), officially launched the Singapore Road Safety Month (SRSM) 2026 on 30 May 2026.

As part of this year's campaign, four Road Safety E-Posters were unveiled and featured in the [Police News Release](#). These posters have been developed to reinforce key road safety messages and encourage safer behaviours among all road users.

To further amplify these important messages within the community, we would appreciate your support to reinforce the road safety messages with your child/ward and family.

Your support will help raise awareness of road safety and contribute towards fostering a safer environment for all road users.

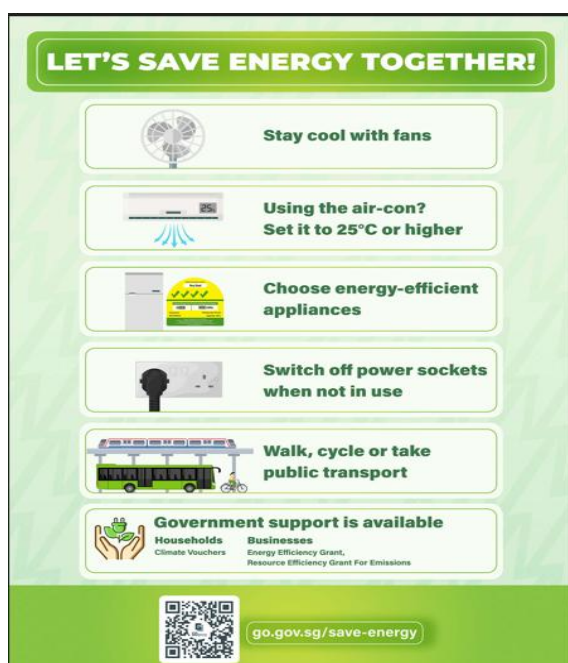

5. Assembly Talk on Energy Conservation

Your child/ward has attended an assembly talk on energy conservation on 29 June, Monday. This assembly talk aims to help students:

- Understand that there is a disruption to energy supply due to world events which affect Singapore; and
- Recognise that they can play a part in saving energy.

Parents/Guardian may wish to continue the conversation at home to engage your child/ward on what she can do to support such efforts on a day-to-day basis. You may wish to use the infographics attached when engaging your child/ward.

6. CCA Experience Week

The school is conducting a CCA Experience Week for our P2 students. The purpose of this programme is to allow P2 students to know more about the CCAs being offered in the school. This is to allow them to make an informed decision on the CCA they wish to register for in Primary 3. The CCA Experience Week will be held from 27 to 30 July 2026.

1. **CCA Information Package on SLS (Available from 13 July 2026)**

Prior to the CCA Experience Week, the CCA Information Package will be made available via SLS. Through the package, students can find out more about the CCAs available in RGPS before signing up for a CCA Experience.

2. **P2 CCA Experience Week (27 to 30 July 2026)**

Throughout the week, CCA leaders will conduct short CCA sessions specifically for our P2 students to get some hands-on experience. There will be 3 sessions available for each CCA. Each student will experience 30 minutes of activities for each CCA she has signed up for. Please refer to the sign-up page for more information.

As the sessions will only start at 2.15pm and end by 4.05pm, please arrange for lunch and transport for your child/ward. She is allowed to stay in the canteen for lunch and while waiting for her session.

3. **Information on Sign-Up for P2 Experience Week 2026**

- If your child/ward is interested to participate in the P2 CCA Experience Week, please sign up via this link <https://forms.moe.edu.sg/forms/eDWAXW>.
- You will need your child/ward's **MIMS Username** (e.g. mary_tan@students.edu.sg) and **password** for the sign up. Please ensure you have the above information before the sign-up week. If you have problem signing in or need help to reset your child/ward's MIMS password, please reach out to her Form Teacher in advance.

- The **sign-up form will be available from 13 July 2026, 0800** and will **close on 19 July 2026, 2359**. Slots are limited so please sign up early.

4. Frequently Asked Questions

7. P2 Social Studies Field-Based Learning

Our P2 students will be going on a SS FBL to Children's Museum Singapore for an enriched learning experience.

The schedule for the FBL is as follows:

Date	Time	Classes
25 Aug Tue	8.30am - 11.30am	2A & 2B
26 Aug Wed		2G & 2H
27 Aug Thu		2E & 2F
28 Aug Fri		2C & 2D
1 Sep Tue		2I

As the FBL will take place in an air-conditioned environment, we strongly encourage your child/ward to wear her school pinafore over the blouse/PE-shirt to stay comfortable.

Your child/ward is only required to bring her water bottle for the FBL.

There is no change to the school reporting and dismissal time. Students will continue to have their scheduled lessons before and after the FBL.

Recess time on FBL days will be at 8.00am in the canteen. Snack time on FBL days will be at 11.30am in class. Students are reminded to have a good breakfast during recess on FBL days as snack time on these days will only be at 11.30am in class after they return to school.

As this FBL forms part of the P2 SS curriculum, your child/ward is required to participate in the FBL and complete a follow-up activity.

If you require further clarification, you may contact your child's/ward's Social Studies teacher.
