NO WAITING / PARKING ALONG THESE ROADS

No Waiting / Parking outside School

Please be considerate to the community

No indiscriminate waiting and parking along Hillcrest Road, Dunearn Road, Watten Rise, Watten Drive, Greenwood Avenue and NJC Drive at all times

Do not park or wait at zig-zag lines near zebra-crossing, within 6m of any junction and along roads with a centre solid white line

LTA and Traffic Police officers are stationed on-site, equipped with mobile enforcement cameras and Traffic Violation Enforcement Cameras (TVECs), to monitor the traffic situation and enforce traffic regulations where necessary.

The SAFETY of every child and adult in our school community is our highest priority

Our school takes active steps to ensure a safe environment by deploying security guards, parent volunteers, and staff as traffic wardens both inside and outside the school premises. However, keeping everyone safe requires a collective effort — one that goes beyond what the school alone can provide.

We kindly ask all parents and guardians to work with us as partners in this effort. While we understand that some of our measures may cause inconvenience, we appeal to everyone to place the well-being of our children and the interests of our neighbouring community above personal convenience. Together, we can make a meaningful difference.
