BEDOK VIEW
SECONDARY SCHOOL

Our Vision: Learners who Learn For Life, Leaders who Light the Way

Ref No: BV26-248

11 Sep 2026

Dear Parents/Guardians,

Welcome back to the new school term! Although Term 4 is shorter than the previous terms, it will be an intensive and important one as our students prepare for their end-of-year examinations and, for our graduating students, their national examinations. This is an ideal time to help our children reorientate themselves towards purposeful routines, disciplined habits and a positive mindset that will carry them through the weeks ahead.

Your partnership at home is invaluable. Together, we can help our Bedok Viewans grow not only in their learning, but also in character and resilience. Thank you for your continued support, and I look forward to a meaningful and fulfilling term ahead.

1) Academic Support for Our Students

As we enter this important stretch of the academic year, the school will continue to provide differentiated academic support according to the needs of our students.

For our **Secondary 1 to 3 students**, the first week of Term 4 will be an important period of academic consolidation and preparation for the end-of-year examinations. During lessons, teachers will guide students through key learning and important information for their examination preparation. Teachers will help them bridge identified learning gaps. All students may also continue to arrange consultations with their subject teachers outside of curriculum hours to clarify any doubts and seek further guidance where needed.

For our graduating **Secondary 4 and 5 students**, our immediate priority is to support them in their final preparations for the GCE N- and O-Level examinations. The SMU Mentoring Programme, which commenced in Term 2, will continue every Wednesday in the school library throughout Term 4, up to the national examinations. Since the start of Term 3, all graduating students have been informed that both the SMU Mentoring Programme and the afternoon student programme are available concurrently to support their preparation. Weekly academic support will also continue for identified students to address specific learning needs and strengthen key areas. In addition, all graduating students may arrange consultations with their subject teachers after curriculum hours and during the study break to clarify doubts and seek further guidance as they prepare for their examinations. Parents can support these efforts by helping your child maintain regular routines for study, sleep and meals, while encouraging them to seek help early when they encounter difficulties.

We thank you for your cooperation in ensuring that your child/ward has full attendance during the weeks in school, so that they can benefit fully from these learning opportunities.

2) Encouraging Our Graduating Bedok Viewans

As our Secondary 4 and 5 students approach an important milestone in their Bedok View journey, we invite parents and guardians to join the school community in encouraging them by submitting an e-well wish for the graduating cohort. Your words of encouragement can provide a meaningful boost as our students prepare for their national examinations and the next chapter of their lives. Please refer to the **attached instructions guide** to easily create your e-card in Canva and upload it to our secure Google Form by **Friday, 18 September**.

In school, we have also put up a **physical well-wishes board**, where fellow students and staff have penned messages of encouragement for our graduating Bedok Viewans (Please see the photo attached). Together with the e-well wishes from parents, we hope to surround our graduating students with the encouragement and support of the entire Bedok View community.

3) Joint Admissions Exercise (JAE) Information for Secondary 4E and 5N(A)

As our graduating students consider their next steps after secondary school, **Joint Admissions Exercise (JAE) materials** will be disseminated to Secondary 4E and 5N(A) students and their parents from Monday, 14 September 2026 onwards. Parents will receive the information through Parents Gateway (PG).

The Ministry of Education's JAE website will also be updated with information on the 2027 JAE timeline and application process to guide applicants. Students and parents may access the updated information **from 14 September 2026 onwards** at MOE Joint Admissions Exercise website.

We encourage graduating students and their parents to familiarise themselves with the information early and to discuss the available post-secondary pathways together.

4) Key Dates for Term 4, 2026

The following table shows the key events for Term 4 for your prior planning and information.

Date	Event	Levels Involved
Mon 14 Sep Tue 15 Sep–Wed 16 Sep Mon 14 Sep–Thu 24 Sep, Mon 5 Oct–Tue 13 Oct	N-Level Written Exams N-Level Listening Comprehension Exams N-Level Written Exams (Part 1) N-Level Written Exams (Part 2)	Sec 4N
Wed 23 Sep–Thu 7 Oct	Sec 1–3 End-of-Year Exams	Sec 1 to 3

Sat 21 Nov – Sun 20 Dec	November & December Staff Protected Time	All

Additional information on key events

15-22 October: End-of-Semester Activities

*As in previous terms, **Secondary 1 to 3 students** will participate in a dedicated period of holistic development activities from **15 to 22 October**. These experiences complement classroom learning and provide opportunities for students to develop important competencies and learn in different contexts. Further details, including programme-specific arrangements and dismissal times, will be provided nearer the date.*

22 September: Class of 2026 Graduation & 12 November: BV Stars (Prom Night)

*We look forward to celebrating our graduating cohort at the **Class of 2026 Graduation Ceremony**, "Light the Way, Together," on **Tuesday, 22 September**. This special occasion marks an important milestone for our Secondary 4 and 5 students as we celebrate their growth, achievements and journey at Bedok View. **Parents/Guardians who have not yet RSVPed and wish to attend may email their child/ward's Form Teacher directly.** Please refer to the PG sent on 21 August for details of the Graduation Ceremony. The celebrations will continue with **BV Stars (Prom Night)** on **Thursday, 12 November**, an opportunity for our graduating students to come together and celebrate the friendships, experiences and memories that have shaped their years at Bedok View. Further details on BV Stars will be shared in due course.*

5) Celebrating Our Alumni: Ray Chu (Zhu Zhangye)

We are also pleased to celebrate the achievements of our alumnus, **Ray Chu (Zhu Zhangye)**, who has been recognised by Temasek Polytechnic as an outstanding graduate formerly from Bedok View Secondary School. Ray graduated with a Diploma in Computer Engineering with Merit and received the TP-Panasonic Skills Mastery Award, Microchip Technology Singapore Course Bronze Medal and Director's List Award.

We congratulate Ray on his achievements. His journey is an encouraging reminder to our Bedok Viewans to pursue their interests with commitment, perseverance and a desire for continual growth. More details of his achievements can be found in the attached feature.

6) Morning Drop-Off and Pick-Up Arrangements

As shared in the PG update dated 26 August, the existing back-gate pick-up and drop-off arrangements will continue for the remainder of the year. Parents/Guardians who drive their children to or from school should continue to use the open-space HDB carpark behind the school, near Block 53 New Upper Changi Road.

The back gate will operate at the following times:

- Morning reporting: 6.30 a.m. to 7.35 a.m.
- Student dismissal/pick-up: 1.15 p.m. to 6.30 p.m.

For safety, parents/guardians are reminded not to stop, wait, pick up or drop off your children/wards along Bedok South Avenue 3 outside the school. Please refer to the PG update sent on 26 August for the full details of the arrangements.

We wish all Bedok Viewans and their families a fulfilling Term 4 ahead. Though the term is short, we look forward to meaningful learning, purposeful growth and memorable experiences for our students. Should you need to contact our staff for any urgent matters, please call our **General Office at 6443 0563** or email **bedokview_ss@moe.edu.sg** for assistance.

Thank you once again for your partnership and continued support!

Yours sincerely,

Ms Cheng Hwee Yeang
Principal
