14 September 2026

Dear Parents/Guardians,

Primary 3 Term 4 Level Matters

Welcome back! We hope that your child has a good break over the September holidays. We have now come to the final term of the year. Here is an update of the activities in Term 4.

Grow Well SG

Grow Well SG aims to foster a supportive home, school and community environment where healthy habits can take root and grow. Through strong family bonds, positive friendships and small, meaningful steps, we can support our children in developing healthy habits that will last.

As parents, educators and members of the community, let's model healthy habits, encourage one another and create spaces where our children can thrive - one small step at a time. Click [here](#) to find out more.

Supporting Your Child During the Exam Season

With examinations approaching, it is natural for children to feel some stress. As parents, your reassurance and encouragement can make a meaningful difference. This [Parent Kit](#) offers practical tips to recognise signs of stress and support your child's well-being during this period. We encourage you to take a few moments to explore the resources and support your child through this season with confidence and care.

Parent-Teacher Meeting (PTM)

A Parent-Teacher Meeting (PTM) for selected parents will be held on 17 and 18 September 2026 (Thursday and Friday). Only invited parents are requested to attend, so that we can focus on addressing the specific needs and progress of their children. It will be a normal school day for Primary 1–6 students, following the usual curriculum hours.

Further details have been shared with the selected parents. If you have any questions or concerns, please feel free to reach out to your child's Form or Subject Teacher.

Promotion from Primary 3 to Primary 4

At the end of Primary 3, our eight classes of students will be promoted en bloc to their respective Primary 4 classes in 2027. This means that students will continue their learning journey together with the same class group as they move from Primary 3 to Primary 4, providing continuity and stability as they progress to the next level.

Thank you for your invaluable support and feedback given throughout the year.

Warmest regards,
Mrs Angela Loy
Acting Year Head (Middle Primary)
