31 August 2026

Dear Parents of P6 students,

Primary 6 Term 4 Level Matters

As our Primary 6 students enter their final term at HPPS, they will be approaching several important milestones, from sitting for the PSLE to preparing for their transition to secondary school and concluding their primary school journey.

During this period, your support and encouragement will play an important role in helping your child approach the PSLE with confidence and manage any stress or anxiety they may experience. The following resource offers practical suggestions on supporting your child through the PSLE and exploring secondary school choices together. We encourage you to take some time to go through it:

<https://www.moe.gov.sg/media/files/microsite/0580789e-3ddd-41c8-b2d0-e303b5a08771.pdf>

We would also like to provide an overview of the key arrangements and activities planned for Term 4. We look forward to working closely with you to support our students and make their final term at HPPS a meaningful and memorable one.

1. Study Break for Primary 6 Students

To support our Primary 6 students' well-being and preparation for the PSLE, the school will be implementing a three-day study break from Monday, 21 September to Wednesday, 23 September 2026.

During this period, P6 students are strongly encouraged to remain at home and focus on their revision. The school will remain open for P6 students who require in-school support. Students who need assistance with their revision may also arrange consultations with their teachers.

The school may invite selected students to return during the study break for additional support. Parents of these students will be informed separately.

2. Primary School Leaving Examination (PSLE)

The 2026 PSLE calendar can be found on this link: <https://go.gov.sg/2026-psle-exam-cal>

Please note that P6 students will be dismissed to go home after all the PSLE papers for that subject have been accounted for. A separate Parents Gateway (PG) message with more detailed information will be sent closer to the examination dates.

We wish our students every success in the upcoming PSLE.

3. Post - PSLE Activities

The school has planned a variety of meaningful post-PSLE activities for our Primary 6 students. These activities will provide opportunities for students to continue learning, prepare for their transition to secondary school, and spend meaningful time with their classmates as they conclude their primary school journey together.

Students are expected to attend school as usual until the end of the school term.

4. Secondary School Fair

To support parents and students in making a more informed decision during the Secondary 1 (S1) Posting Exercise, we will be organising the Secondary School Fair. We have invited representatives from various secondary schools to set up booths at HPPS and share information about their schools, programmes and distinctive offerings.

The P6 classes will attend the fair on the following dates:

- Tuesday, 3 November: 6A, 6B, 6F, 6H and 6I
- Wednesday, 4 November: 6C, 6D, 6E and 6G

There will be no school for P6 students on their respective fair day. Instead, students will attend the fair with their parents during their booked time slot. We strongly encourage you to attend this event with your child so that you can explore the available options and have meaningful discussions together. If you are unable to attend, your child may come for the fair on his/her own during your chosen time slot.

More details, including information about the participating secondary schools and instructions on how to book a time slot, will be provided closer to the date.

5. Primary 6 Graduation Party

Our Primary 6 Graduation Party will be held on Tuesday, 17 November, from 8.00 a.m. to 9.30 a.m.

As our P6 students come to the end of their primary school journey, we would like to celebrate this meaningful milestone with their parents, who are the most important people in their lives. We warmly invite all Primary 6 parents to join us for this special occasion and share in the joy of celebrating your child's growth and memorable journey at HPPS.

More details about the Graduation Party will be shared closer to the date.

6. Release of PSLE Results

The 2026 PSLE results will be released tentatively between Tuesday, 24 November 2026 and Wednesday, 25 November 2026.

We strongly encourage parents to accompany their child to school to collect their results. More details will be shared once the date of the results release has been confirmed.

Warmest regards,
Muhammad Sadhiq
Year Head (Upper Primary)
