Our Ref: JWPS/2026/111

Date: 26 August 2026

Through the Principal,

Dear Parents/Guardians of P1 students,

Re: Mathematics Parents Engagement Session for P1

To support your child at home in Mathematics, our department will be organising a Parents Engagement Session with video recordings sent to your child's SLS (Student Learning Space) on 28 August 2026.

You can access these recordings by logging into your child's SLS account from 9 a.m. onwards on 28 August 2026. These recordings will be made available until 28 October 2026.

The objectives of the engagement session are:

- To create an awareness of the expectations for Primary 1 Mathematics
- To equip you with the necessary arithmetic skills in coaching your child/ward at home

The topics that will be covered are:

- Addition and Subtraction with and without regrouping
- Multiplication and Division
- Tips for Parents

We value your understanding and support of the school's Mathematics Department's initiative. Your partnership will make a great difference in your child's/ward's Mathematical learning experience.

Thank you.

Yours sincerely,
Mdm Radin Anita
Head of Department (Mathematics)
