Date: 26 August 2026

Through the Principal,

Dear Parents/Guardians of P4 students,

Re: Mathematics Parents Engagement Session for P4 Parents

To support your child at home in Mathematics, our department will be organising a Parents Engagement Session with video recordings sent to your child's SLS (Student Learning Space) on 28 August 2026.

You can access these recordings by logging into your child's SLS account from 9 a.m. onwards on 28 August 2026. These recordings will be made available until 28 October 2026.

The objectives of the engagement session are:

- To create an awareness of the expectations for Primary 4 Mathematics
- To equip you with better knowledge and skills in coaching your child/ward in Mathematics
- To introduce you to heuristics covered in Primary 4

We value your understanding and support of the school's Mathematics Department's initiative. Your partnership will make a great difference in your child's/ward's Mathematical learning experience.

Thank you.

Yours sincerely,
Mdm Radin Anita
Head of Department (Mathematics)
