Our Ref: JWPS/2026/125 Date: 16 October 2026

Dear Parents / Guardians,

Succeed with Might – P2 Learning Journeys

As part of the "Succeed with Might" programme, students will take part in two learning journeys designed to extend their learning beyond the classroom and develop teamwork, resilience, responsibility, and care for the environment.

1. PAL Learning Journey – Outdoor Education

During a guided tour of Jurong Lake Garden, students will apply the outdoor education skills they have developed through PAL while learning about nature and the environment. They will also practise teamwork, resilience, and responsible behaviour.

2. Omnimax Show – *Secrets of the Sea*

Students will watch *Secrets of the Sea*, an immersive film exploring the wonders of the ocean and the importance of marine biodiversity, conservation, and sustainability. The experience will encourage them to appreciate the environment and develop a sense of responsibility and stewardship.

Students will report to school and be dismissed at the usual times. Please refer to the Schedule and Things to Bring sections in the annex for details of your child's learning journey.

We look forward to providing our students with meaningful learning experiences beyond the classroom.

Thank you for your continued support in helping your child prepare for these learning journeys.

Yours sincerely,

Ms Lau Chin Yong
Year Head (Lower Block)

cc Mrs Christina Tan
Principal
