A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

14 September 2026

Dear Parents/Guardians,

Following a fast-paced and eventful Term 3, we are now entering the final lap of the school year. Over the last few months, our students have grown immensely through rich experiences like the Secondary 1 cohort camp and our SG61 National Day Celebrations. They have learned to collaborate, lead, and give back to the community. As we step into Term 4, we look forward to working closely with you to support them through this crucial final stretch of the academic year.

Do take a moment to view highlights of these events on our Facebook page:

A. Term 4 Calendar of Events

The updated Term 4 Calendar of Events can be found in **Annex A**. You may also access the school calendar through our website or Parents Gateway under the “Services” tab. In addition, we encourage you to speak with your child/ward about their participation in various school programmes, including CCA activities, which may not be fully reflected in the calendar.

Whilst Term 4 is relatively short, it promises to be both purposeful and enriching. We remain dedicated to guiding our students’ holistic growth and supporting them in achieving their academic goals.

Key highlights/points to note for Term 4:

- End-of-Year Examination:
Examinations will be held from **28 September to 8 October 2026**. We encourage students to take ownership of their own learning and plan their revision ahead of time. Teachers will continue to offer support through academic programmes, and students may approach their respective subject teachers for consultation. You may view the examination schedule here: <https://www.loyangviewsec.moe.edu.sg/for-parents/school-examinations/>
- Marking Day and Promotion Day:
Our Marking Day and Promotion Day are on 9 October and 16 October 2026 respectively. Please note that students are **not** required to report to school on these days.
- Post-Examination Activities:
The school has planned an exciting array of activities after the completion of the End-of-Year Examinations, which include enrichment workshops under our Applied Learning Programme (ALP), Lifelong Learning Programme (LLP), and programmes in the arts and sciences. Our Secondary 3 students will continue with an extended curriculum programme in preparation for their graduating year.

B. Home-School Partnership

Our students are able to flourish because of the strong partnership between home and school. We would like to take this opportunity to thank you for your unwavering support throughout the year. In particular, we would like to extend our heartfelt gratitude to our Parent Support Group (PSG) members, who have generously dedicated their time and effort to making Loyang View a vibrant environment where our students can truly thrive.

End-of-Year Parent-Teacher Meeting (PTM)

The last PTM for this year will be held on **Friday, 23 October 2026, from 8:00 a.m. to 4:00 p.m.** following the last day of school on 22 October. Form teachers will share updates on your child/ward's progress during these face-to-face meetings in school. Each session will last approximately 15 to 20 minutes.

- **Levels:** This PTM is intended for all Secondary 1 and 3 students and selected Sec 2 students.
- **Booking Details:** Booking will be done via Parents Gateway. More details regarding the booking window and registration process will be shared closer to the date.
- **Alternative Arrangements:** If you are unable to attend on this day, please feel free to reach out to your child/ward's form teacher to arrange a separate session.
- **Subject-Specific Concerns:** For queries regarding specific subjects, you may contact the respective subject teachers directly via email.

We wish you a wonderful term ahead and a meaningful end of year break with your family!

Should you have any questions, do feel free to contact the school at 6582 1727, or email us at loyangview_ss@moe.edu.sg. Thank you continued support and partnership in the holistic development of your child/ward.
