

GROW YOUR CHARACTER

Urban Farming Programme

Dive into our exciting Urban Farming Programme. Get your hands dirty, literally, as you immerse yourself in real-world experiences in food sustainability and organic farming. Plant seeds, nurture them, and harvest crops while gaining practical skills in growing your vegetables right in our LVSS urban farming plots. Along the way, cultivate more than just organic produce - learn responsibility, build resilience, and thrive in the face of challenges. This hands-on adventure is your chance to grow both your character and your crops!

DESIGN YOUR SUCCESS STORY

Future-Ready Programme

Unlock a world of career possibilities with our Future-Ready Programme, crafted specially for you as part of our graduating cohort! Dive into dynamic talks and hands-on workshops led by industry experts, who will share valuable insights. Embark on exciting learning journeys to notable companies and institutions, and gain first-hand knowledge of various industries. Equip yourself with essential knowledge, skills, and values to make savvy career choices and pursue your passions with purpose. Get ready to step into the future with confidence and take charge of designing your own success story!

EVOLVE YOUR STORY

POWER YOUR FUTURE

ALP: Sustainability through STEM

Ignite your passion for sustainability with our Applied Learning Programme (ALP) through hands-on STEM learning! Sharpen your critical thinking and problem-solving skills while discovering the joy of preserving Singapore's resources for future generations. Design solar-powered toy cars in the Junior Solar Sprint, dive into clean energy innovation and get a chance to team up with engineers from the James Dyson Foundation to tackle air pollution. Gain real-world skills and deepen your love for STEM along the way.

EXPAND YOUR HORIZONS

Overseas Education Programme

Embark on the Overseas Education Programme and unlock a world of adventure and learning. Broaden your horizons by travelling to exciting destinations like Australia, China, Indonesia, Malaysia, South Korea and Thailand. Engage in cultural exchanges, interact with local students, and explore key attractions. Deepen your understanding of vibrant cultures and global dynamics, while becoming more adaptable, and improving your communication skills. Reflect on Singapore's unique role in the world, foster pride, and strengthen your commitment to our nation. This is your journey – filled with discovery, growth, and unforgettable memories!

IGNITE YOUR ADVENTURE

LLP: Sports & Outdoor Education

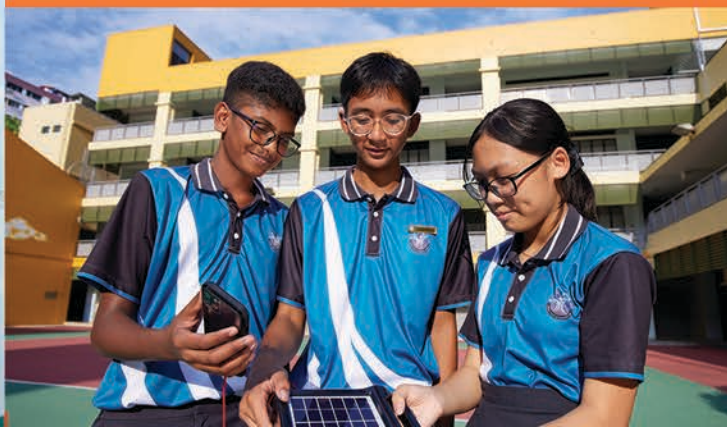

Experience a robust and exciting array of games, physical activities, and outdoor adventures with our Learning for Life Programme (LLP) in Sports and Outdoor Education, which takes your learning far beyond the classroom! Sharpen your physical skills and develop a strong sense of teamwork while embracing values that inspire a lifelong love for active, healthy living. Engage in various activities that challenge you both physically and mentally, fostering resilience and determination. Seize this enriching experience and discover the joy of adventure throughout your journey!

SHAPE THE FUTURE

The Futurists Programme

Explore your potential with the Futurists Programme, part of our school-wide Talent Development Programme, designed to help you excel beyond academic and co-curricular domains. Engage in robust discussions of global issues and challenges. Thrive in independent inquiry, creative problem-solving and peer collaboration, and hone your leadership skills and broaden your worldview. Shine on the big stage by representing our school in competitions and connect with students from other schools and countries. With dedicated support, we will guide you to reach your dreams and unlock your fullest potential!

UNLEASH YOUR POTENTIAL

Co-Curricular Activities

Discover your interests and talents through our Co-Curricular Activities (CCA), which play a vital role in your development. Make informed choices when selecting your CCA with our structured talent identification programmes and exciting orientation activities. Each CCA offers rich opportunities for leadership and service as you collaborate with others, develop new skills, and explore diverse passions. Grow holistically, as you chart your personal growth and develop confidence in striving to reach your potential. Embrace the journey and find your unique path!
