Name	Type of interest ¹	Description of Interest
Adj A/Prof Pan Jiun Yit	-	None relevant to bacterial SSTIs declared
Dr Teh Sue Faye	-	None relevant to bacterial SSTIs declared
Dr Ang Joo Shiang	-	None relevant to bacterial SSTIs declared
Dr Chan Si Min	-	None relevant to bacterial SSTIs declared
Ms Cheng Hong	-	None relevant to bacterial SSTIs declared
Dr Su Wei Cheng	-	None relevant to bacterial SSTIs declared
Dr Benjamin Cherng	-	None relevant to bacterial SSTIs declared
Dr Chie Zhi Ying	-	None relevant to bacterial SSTIs declared
Dr Choong Siew Li	-	None relevant to bacterial SSTIs declared
Dr Kok Wai Leong	-	None relevant to bacterial SSTIs declared
Dr Suraj Kumar	-	None relevant to bacterial SSTIs declared
Dr Li Jiahui	-	None relevant to bacterial SSTIs declared
Dr Ling Li Min	-	None relevant to bacterial SSTIs declared
Dr Lynette Loo Mee Ann	-	None relevant to bacterial SSTIs declared
Ms Nelley Toh	-	None relevant to bacterial SSTIs declared
Dr Nelson Wee	-	None relevant to bacterial SSTIs declared
Ms Li Ying	-	None relevant to bacterial SSTIs declared
Ms Yvonne Zhou	-	None relevant to bacterial SSTIs declared

¹ Type of interest can be classified under “direct interest” or “indirect interest”. Direct interest refers to direct commitment, involvement, investment, relationship or obligation where there may be material benefit gained by the individual that may influence his/her judgement in the issues being considered by the group. Indirect interest refers to indirect commitment, involvement, investment, relationship or obligation that may be perceived to be of a material benefit even when no actual benefit was derived and influence the person’s judgment in the issues being considered by the group.
