

## Company Response Template

[Company] is required to review the ERC commentary which has been completed for [medicine] for [indication] and address any key clinical and economic issues highlighted by the ERC in Table 1 below. Any factual inaccuracies should also be stated in Table 2 below. New information or revised analyses should not be submitted at this stage.

Please note that the response should not exceed 5 pages and font size in this form should NOT be adjusted. The form should be returned to ACE in Word by [add date and time].

Table 1: Key clinical and economic issues highlighted by the ERC

<b>Issues highlighted by the ERC (include page number)</b>	<b>Company response</b>
<b>Clinical issues</b>	
<b>Economic issues</b>	
[add rows as required]	

Table 2: Factual inaccuracies identified by the company

Description of inaccuracy identified (include page number)	Proposed amendment	Justification for amendment
