PLEASE NOTE:

1. This Form sets out your request for school bus Services. **It does not constitute the School Bus Operator's agreement to provide the Services.** The School Bus Operator will review the information you provide in this Form and will confirm with you on whether your child/ward is to be picked up (and/or dropped off, as the case may be) from either the pickup address, the drop-off address, or from a common location, as well as the monthly bus fares payable. The use of a common location to pick-up and/or drop off your child/ward could help operators deploy their drivers more efficiently, as it allows them to ferry more students on each school bus route and, where appropriate, use larger capacity buses. Such an arrangement would not only help operators cope with fewer drivers, but may also help reduce the overall journey time due to fewer stops, as well as allow for later boarding times for students who are picked up first. If you are agreeable to and accept the location on where your child/ward is to be picked up (and/or dropped off, as the case may be), as well as the bus fare proposed by the School Bus Operator, a contract will be constituted between you and the School Bus Operator for the provision of school bus Services for the calendar year of 2027 ("**Parent Agreement**").
2. The Terms and Conditions Governing this Request for School Bus Services set out in **Annex A1** below are deemed to be incorporated into the Parent Agreement.
3. You must submit this Request to the School Bus Operator by **13th Nov 2026** if you wish the School Bus Operator to consider your request. Late submissions may delay your child's/ward's access to the bus services.
4. Please note that the School Bus Operator is not obliged to provide transport Services where the Requested Distance is more than 8km.

3. The School Bus Operator shall provide the Services on all School Days and with all reasonable care, skill and diligence.
4. The School Bus Operator shall ensure that the student shall only be dropped off or picked up at pick-up address, drop-off address or common location, as the case may be, as agreed by the Parent, and not any other address (unless otherwise agreed by the Parent).
5. The School Bus Operator shall bear all costs in relation to the provision of the Services, including all costs required for the maintenance and operation of all vehicles provided by the School Bus Operator.
6.
