"Berani Berkhidmat"

Student Well-Being

- Strong **teacher-student relationships** with Class Mentors and subject teachers
- Positive **peer support** networks
- **Data-informed** socio-emotional support
- **Collaborative partnerships** with parents

Student Management @ QTSS

Firm & Educative

Cultivating Discipline

- Ensure right **learning readiness**
- **Zero tolerance policy** towards bullying and vaping
- Build students' habit of **thinking** before speaking / acting, as well as speaking / acting **respectfully**

General Feedback

Have some views regarding school matters? Share your opinions with us!

Student Well-being

Feeling down or having a friend who needs emotional support? Share the issues with us! (*Approach any school staff for emergency matters.*)

Discipline Matters

Witnessed someone breaking a school rule? Stand up for what is right and share the information with us!

You matter to us!

Student Voice

School Facilities

Report facility faults to us to improve our school's physical environment!

Access the Student Voice portal via the link <http://bit.ly/qtssstudentvoice> or the QR code below:

Flourishing Learner
pursuing interests &
passions

Nurturing Diverse Learners

- Whole school **Growth Mindset** approach (**Learn-Do-Reflect**)
- **Joy of learning**: Engaging content, Authentic experiences
- **Student Voice and Choice** for greater ownership of learning experiences
e.g. **Regular Home-Based Learning** / Self-Initiated Learning
- **Full subject-based banding, Tiered academic support and Talent Development Programme** to cater to individual strengths and interests of different progress learners

Teacher Modelling – Learning from clear guidance from teachers

Collaborative Learning – Discussion-based Learning (Socratic Seminar)

Collaborative Learning – Learning amplified through technology

Engaged Learning

Use of Mobile Phones in School

- To inculcate a **positive learning culture** in QTSS and ensure students are focused with their learning, all mobile phones must be **switched off** and **kept in the handphone cabinet** during curriculum time and school programme/events/CCAs.

Use of Mobile Phones in School

- To increase focus during classroom learning
- To **build stronger relationships** with their peers through **face-to-face interactions** especially during recess time.
- To **enhance student well-being**
- Students have been reminded on the **responsible use** of mobile phones

Cultivating Interests and Passions

Our Academic Achievements

Class of 2025 'N' Levels:

- The cohort performed well, continuing past years' positive trend of adding/meeting value.
- D&T students and Art students achieved their strongest distinction rates in recent years.

Cultivating Interests and Passions

Our Academic Achievements

- Class of 2024 'O' Levels
- Best set of passing rate in recent years, with higher percentage of students who passed 5 or more subjects; above national.
- Percentages of 4Exp and 5N students eligible for JC/MI and Polytechnics have improved.

Cultivating Interests and Passions

2025 Open House

Find out more about what makes QTSS unique.

Queenstownians have achieved positive outcomes in both the Academic domain and Co-Curricular Activity (CCA).

You may refer to our past achievements in my [Open House Address](#).

Future-Oriented Leader
*Serving the larger
community & environment*

FutureLearn

- ▶ Aimed at equipping students with 21st CC and future literacies (sustainability & digital literacy)
- ▶ Synergised Applied Learning Programme & Learning for Life Programme and aligned with Maker Education Design Challenges

Applied Learning on ISSUES OF SUSTAINABILITY

Sec 1 Programme Water Sustainability (Geog & Sci)

Students design and construct a simple filtration system.

Sec 2 Programme Energy and Urban Sustainability (Geog & Sci)

Students redesign an existing common space that will include the features of urban sustainability, and design a simplified solar car.

SOCIAL SUSTAINABILITY

Sec 1 Programme Social Sustainability within School

Students work towards **advocating** inclusiveness in a Diverse Society, **within** the school, by raising the awareness of the **challenges** of the different segments of population with emphasis on different Race, Gender, Learning needs, and Nationality.

Sec 2 Programme Social Sustainability Beyond School

Students work towards **advocating** inclusiveness in a Diverse Society, **within** the school, by raising the awareness of the **challenges and needs** of different segments of population with emphasis on Elderly, Persons with (intellectual) disability

Sec 3 Programme Social Sustainability in the larger community

Students work towards **advocating** inclusiveness in a Diverse Society, **beyond** the school community, by championing the **needs and talents** of the different segments of population.

共塑记忆墙迎七秩校庆 女皇镇中学校友归来仍少年

订户

阅读原文

女皇镇中学的前身为女皇镇工艺中学，是本地最早的工艺学校之一，曾以木工、金工等实践课程，为建国初期的工业建设培养坚实的技术力量。2026年学校欢庆建校70年。现任校长沈浩聪希望召集历届校友，以他们的奋斗故事为薪火，让“工艺”精神代代相传。

女皇镇中学举办校友团聚，不仅为2026年70周年校庆预热，也让年轻校友通过强有力的校友网络持续受益。（龙国雄摄）

青春记忆不褪色，归来仍是少年。11月29日，女皇镇中学举办校园开放日后，迎来历届校友回家。百多名校友在熟悉的礼堂餐叙，再走进课堂，然后在粘土板上创作自己的图案。这些作品

School-Home Partnership

Our children do best when schools and parents work hand in hand to support them.

Guidelines for School-Home Partnership

Raising a Happy, Confident, and Kind Generation Together

3 areas we can work together on to foster School-Home Partnership

1 Respectful Communication

2 Role Models

3 Real Connections

Respectful Communication

Foster kind words and actions between schools and educators

Listen to and understand each other's perspectives and concerns regarding each child

Communicate kindly using official channels. Teachers are not required to share their personal mobile numbers **(For QTSS, teachers use TEAMS to communicate with students)**

Respect each other's time by communicating during working hours (7.30am - 5.30pm)

Role Models

Show our children the skills and values they need for life

Find joy in everyday experiences with our children

Instill confidence by encouraging responsibility and believing in our children's abilities

Model good values in words and actions

Check out this video on MOE YouTube for tips on how parents can support the social-emotional learning of their children.

Real Connections

Cultivate strong relationships and healthy habits in this digital age

Establish good habits for our children to stay confident and in control of their technology use

Provide a balanced mix of engaging online and offline activities, at school and at home

Build strong bonds through shared experiences and meaningful conversations

Check Parenting for Wellness Toolbox for conversation starters to facilitate meaningful conversations, and practical strategies on parenting in a digital age.

Home-School Partnership

Phone Calls,
Emails &
SC Mobile
(Attendance)

**Parents
Engagement**

The teachers' working hours are from **7.00am – 5:30pm.**

Feel free to email any of us for any clarification and arrange for an appointment if needed.

Our email addresses can be found on our school website. My colleagues and I will get back **within 3 working days.**

Engagement Charter

- The partnership between schools and parents is an essential one.
- By promoting mutual courtesy and respect in our interactions with each other, we can be good role models for our children and build authentic partnerships that will better benefit our children.

In closing

- Your child's Quest
- Growing Together
- Happy Teachers & Happy Students

Briefing By: Assistant Year Head (Lower Secondary)

Artwork by Esther Bliss Ang Yu Xuan
2RP (2023)

Our focus at Secondary 1

Self

Level of influence

Society /
Wider Community

1

**Self-
Empowerment**

2

Self and Others:
Enabling Others

3

Self and
Community:
Daring to Serve

4/5

Self and
Community:
Leaving a Legacy

Our focus at Secondary 1

- Hone **personal uniqueness**
- Take **ownership of own learning**
- Persist in **self-development**
- **Account for personal actions** to contribute to sustainability
- **Align actions with school values** (Respect, Resilience, Integrity, Care, Excellence)

Secondary School Experience under Full SBB

Take Ownership of Own Learning

Examinable subjects			
	G1	G2	G3
English Language			
Mother Tongue Languages			
Higher Mother Tongue Languages			
Mathematics			
Science			
Humanities (Geography)			
Humanities (History)			
Humanities (Literature in English)			
Art	common curriculum subjects		
Design & Technology ¹			
Food & Consumer Education ¹			
Non-examinable subjects	G1	G2	G3
Character and Citizenship Education & Assembly	common curriculum subjects		
Physical Education			
Music			
G1 Humanities (Social Studies, Humanities Exposure Modules)			

Teaching Groups

Subject Level Flexibility Throughout Secondary Education

- Beyond the start of Secondary 1, students may adjust their subject levels across their secondary school journey.
 - ▶ E.g. Students can also offer English Language, Mathematics, Science and/or Mother Tongue Languages at a more demanding level **from Secondary 1 Semester 2**.
 - ▶ E.g. Students can offer **Humanities subjects** at a more demanding level from Secondary 2 onwards, based on their results in Secondary 1.

Current subject level	School-based results	Option to offer subject at
G1	≥75% in the specific subject*	G2 starting from next semester
G2	≥75% in the specific subject*	G3 starting from next semester

***Strong recommendation** by subject teachers that the student is deemed able to cope with the subject at a more demanding level.

Common Curriculum Subjects

- Students will take six common curriculum subjects with their mentor class:

- These subjects take up approximately one-third of curriculum time, giving students time to interact with classmates of different strengths and interests.

Secondary One Assessment Weighting

	Term 1	Term 2	Term 3	Term 4
Assessment	WA 1	WA 2	WA 3	End-Of-Year Exam
Weighting	10%	15%	15%	60%

Various modes of Assessment:

Oral, written, coursework, performance task, project etc

Assessment information can be obtained from the school website

Progression to Secondary 2

- All students will generally progress to Secondary 2.
- Teachers will check in with students and parents in a timely manner to discuss the subjects and respective subject levels that **best suit the student based on their progress**.
- Students can offer certain subjects at a **more/less demanding level** based on his/her interest and learning progress.
- Parents are also strongly encouraged to monitor their children's progress.

Current Subject Offerings at Secondary 3

- English Language
- Mother Tongue Language
- Mathematics
- Additional Mathematics (G3, G2) *
- Social Studies & Humanities Elective (Geography/History) (G2, G3)
- Pure Humanities (Geography, Literature) (G3) *
- Combined Science (G2, G3) / Science (G1)
- Pure Sciences (Chemistry, Physics, Biology) (G3) *
- Principles of Account (POA) (G2, G3)
- Art (G2, G3)
- Design & Technology / Nutrition & Food Science
- Computing (G1, G3); G3 is offered at external venue, subjected to MOE selection criteria

** Subject to student meeting the relevant criteria*

Main CCA Day:

Wednesdays, *3pm – 6pm

CCA is part of the Total Curriculum, students are expected to attend the planned CCA sessions.

Lunch – Scheduled in timetable.

Students are to remain in school to have their lunch before attending CCA (unless prior approval has been given for them to be excused from CCA).

**Please refer to the CCA Schedule for details*

CCAs – Additional CCA Training Days

- Some CCAs may have additional training days
- **Visual & Performing Arts and Sports** typically train 2 to 3 times a week nearing their competition season.
- **Uniformed Groups and Clubs & Societies** sessions are typically conducted on the main CCA Day (Wed) unless otherwise stated.
- Refer to the school website for more details.

SEC 1 CCA Selection Process

1. Students who have successfully applied to QTSS through DSA will be allocated first.
2. Basketball, Football, Table Tennis, Volleyball & Choir are not available for selection. All interested students must attend the sports trial/audition.
3. Students who are successfully in the trial/audition and accepted the CCA will be allocated to the CCA.
4. Allocation to other CCAs are determined by: Ranking of their CCA choice, Primary School CCA & Achievement and Fitness Test Results (if relevant).
5. In 2025, 94% of SEC 1 students obtained their first 2 choices. (81% obtained their 1st choice).

SEC 1 CCA Timeline

S/No.	Activity	Date	Remarks
1.	SEC 1 CCA Exposure	6 Jan & 7 Jan	SEC 1 Orientation After School, 3 to 6pm
2.	SEC 1 CCA Trial: Sign-Up	8 to 13 Jan	During PE lessons
3.	SEC 1 CCA Trials	*19 to 23 Jan	Refer to school website
4.	SEC 1 CCA Selection (online)	26 to 29 Jan	During PE lessons
5.	SEC 1 CCA Posting	4 Feb	During Morning Assembly
6.	SEC 1 CCA Commence	11 Feb	3pm onwards

- Timeline is tentative and dependant on the numbers of applicants during the trial.
Pls refer here again on 23 Jan after 5pm for CCA Trial daily schedule.*

SEC 1 CCA Commence – *11 Feb 2026

- Results will be released to students through their Class Mentors on *4 Feb.
- Students are to take ownership of their choices, they are to remain in their allocated CCA (especially if they are allocated their first 2 choices) unless they have a strong and valid reason.
- Change of CCA is only allowed at the start of the following year.
- Changing CCA will affect their CCA Participation and hence their final CCA grades when they graduate in SEC 4.

Safety and Well-Being

Quick Drop-Off and Pick-Up Points

HDB Carparks

(Alternatives if the drop-off point(s) are packed)

Quick Drop-Off and Pick-Up Point In the Event of Wet Weather (Inside QTSS)

Safe Routes for Walking To School

Be Vigilant at the Crossing Outside Main Gate

Be Vigilant when Crossing to bus stop

The school has been discussing with LTA to put in a zebra crossing to enhance safety at this road crossing.

Timetabling Adjustments

- 30mins periods and effective use of curriculum time > Earlier dismissal compared to previous years.
- Insertion of lunch break for relatively longer days.
- Parents can help to ensure that your child/ward takes breakfast if recess is scheduled later.

The Personalised Digital Learning Programme (PDLP)

Briefing for Parents

A PRESENTATION BY
MINISTRY OF EDUCATION, SINGAPORE

OFFICIAL (CLOSED) \NON-SENSITIVE

The National Digital Literacy Programme (NDLP) and the PDLP

An Overview

The National Digital Literacy Programme (NDLP)

1. The NDLP was launched in March 2020 to help students **strengthen their digital literacy and acquire digital skills** needed to navigate an increasingly digitalised world.
2. Under the NDLP, every secondary school student will **own a school-prescribed Personal Learning Device (PLD)**. Students may use funds from their Edusave Account to pay for the PLD.

Intended Outcomes of the PDLP

The use of the PLD for teaching and learning aims to:

- **Support the Development of Digital Literacy**
- **Support Self-Directed and Collaborative Learning**
- **Enhance Teaching and Learning**

Learning with a PLD

Queenstown Secondary School

Note: The information contained in this deck of slides is customised according to our school's context and the device selected.

How will your child/ward use the PLD?

At Queenstown Secondary School, your child/ward will be using the PLD for learning in and out of the classroom. Your child/ward will be using Microsoft Teams and the Student Learning Space to enhance their learning:

1. These platforms allow easy **access of resources anytime, anywhere:**

Students can see materials in **full-colour**

How will your child/ward use the PLD?

2. Allow **archiving of resources** within a Class Notebook, including multi-media materials.

Discussion in pairs on Conduction vs Convection

Watch the YouTube animation on Convection.
Discuss with your partner and answer the questions below.

[Physics - Energy - Heat Transfer - Convection](#)

Heat Transfer - Convection

1. How does convection occur?

As the air particles at the bottom of the room gets heated up, air particles are spaced out apart more. This causes the density of the heated particles to increase and thus it rises. When it rises, it cools down and the air particles are not spaced apart that much and then it sinks back down as its density increased. The process repeats over and over.

Calibri Light 20 B I U Styles

Q Suppose a pilot on an aircraft, the motorcycle accelerates uniformly from rest at a constant rate of 4 m/s^2 until the speed is 60 m/s . $\rightarrow \text{then } a = 4$
 The pilot then flies towards at a constant speed until it has gone a further 630 m & then decelerates uniformly to a stop in 10 s .
 Plot a speed-time graph to show the complete motion of the motorcycle in the given case.

SOLUTION:

Q A car travels at 20 m/s for 1 minute . It then accelerates uniformly to a speed of 40 m/s in 1 minute . It travels at a constant speed of 40 m/s for a further 1.5 minutes before decelerating uniformly to rest in 1.5 minutes .
 (a) On the grid below, plot a graph to show the variation with time of the speed of the car.

Q A car travels at 20 m/s for 1 minute . It then accelerates uniformly to a speed of 40 m/s in 1 minute . It travels at a constant speed of 40 m/s for a further 1.5 minutes before decelerating uniformly to rest in 1.5 minutes .
 (a) On the grid below, plot a graph to show the variation with time of the speed of the car.

SOLUTION:

1. $a = \frac{v - u}{t}$
 $4 = \frac{60 - 0}{t}$
 $t = \frac{60}{4} = 15 \text{ s}$

2. $a = \frac{v - u}{t}$
 $-6 = \frac{0 - 60}{t}$
 $t = \frac{60}{6} = 10 \text{ s}$

3. $a = \frac{v - u}{t}$
 $0 = \frac{40 - 20}{t}$
 $t = \frac{20}{0} = \infty$

4. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

5. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

6. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

7. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

8. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

9. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

10. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

11. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

12. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

13. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

14. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

15. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

16. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

17. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

18. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

19. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

20. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$
 $t = \frac{40}{0} = \infty$

21. $a = \frac{v - u}{t}$
 $0 = \frac{0 - 40}{t}$

How will your child/ward use the PLD?

4. Allow for **interactive lessons** to increase **engagement** in the classrooms.

The screenshot shows the 'Class Notebook' application. The 'Tasks' tab is active, displaying a virtual experiment titled 'PhET: Gas Pressure & Volume'. The experiment interface includes a 3D model of a gas chamber with a piston, a pressure gauge, and a volume slider. A large blue arrow points from the text 'Conduct virtual experiments and answer inquiry questions' to the experiment interface.

Conduct virtual experiments and answer inquiry questions

Steps

- 0 Type your answers in the purple boxes:

Tasks

PhET: Gas Pressure & Volume
Get Practice

1) Drag the handle of the chamber all the way to the left to make the volume of the chamber big.

2) Record the number of ball collisions:

3) Record the gas pressure in the chamber:

QUESTIONS

4) How does the gas pressure change when volume is changed?

When the volume of chamber decreases, the gas pressure increases and vice versa.

5) In terms of the motion of gas particles, explain why gas pressure changes when volume of chamber changes.

6) Pressure is $\frac{F}{A}$, not the same force. As the area decreases, the pressure increases and vice versa.

Reading Progress uses AI to assess each student's reading and give personalised feedbacks for the student to make improvements during practice.

The screenshot shows the 'Reading Progress' application. It features a video of a student reading, a list of words, and a progress bar. The words are: 'this', 'weren't', 'destroyed', 'a', 'in', 'World', 'War II', 'like', 'most', 'were', 'in', 'Tokyo', 'Shinto', 'and', 'Buddhist', 'shrines', 'can', 'be', 'found', 'throughout', 'the', 'city', 'They', 'house', 'thousands', 'of', 'priceless', 'artifacts', 'Kyoto', 'is', 'beautiful', 'The', 'city', 'is', 'full', 'of', 'charming', 'neighborhoods', 'and', 'exceptional', 'gardens', 'The', 'homes', 'that', 'line', 'Kyoto's', 'kyoto', 'winding', 'streets', 'went', 'winding', 'streets', 'are', 'made', 'of', 'paper', 'and', 'wood', 'Most', 'houses', 'are', 'small'.

A few years ago, my family went on a trip to Japan. We visited the big cities of Tokyo and Yokohama. We also visited a very old and charming city called Kyoto. In Japanese, Kyoto means capital city. In fact, Kyoto used to be the capital of Japan for hundreds of years before Tokyo took its place. Thankfully, Kyoto's historical treasures weren't this weren't destroyed a in World War II like most were in Tokyo. Shinto and Buddhist shrines can be found throughout the city. They house thousands of priceless artifacts.

Kyoto is beautiful! The city is full of charming neighborhoods and exceptional gardens. The homes that line Kyoto's kyoto winding streets went winding streets are made of paper and wood. Most houses are small

How will your child/ward use the PLD?

Supporting Students in the Safe and Effective Use of the Devices

To enable a safer digital environment for learning with the use of PLDs, schools have implemented the following measures:

- School rules on digital device use
- Classroom management and routines
- Cyber Wellness Education in CCE
- Partnering parents/guardians to support students in their use of technology for learning
- MOE Device Management Application (DMA) to support a safer digital environment for learning

School Rules on Digital Device Use

Full details in [Student Handbook](#) Pg 46-50: Personal Learning Device (PLD) – User Guide and Advisory

- Students are expected to **bring** their PLDs to school **daily**.
- Every PLD should be **fully charged at home** before it is brought to school.
- Students should not use their PLD during lessons without a **teacher's permission**.
- Students must be responsible for the safe-keeping of their PLDs and **not leave them unattended**.
During recess, PE or CCAs, they should **store their PLDs in their assigned lockers**.

Cyber Wellness Education in CCE

Educating students on Cyber Wellness

Cyber Wellness lessons will feature significantly in the Character and Citizenship Education (CCE). The broad topics covered in Cyber Wellness are:

- Cyber Use
- Cyber Identity
- Cyber Relationships
- Cyber Citizenship
- Cyber Ethics

Cyber Wellness Education in CCE

Throughout their Secondary School education, students will learn about:

- Balanced use and self-control
- Cyber bullying and Upstanding
- How to be a positive influence online
- How to handle online falsehoods
- How to manage social media (peer influence, emotions, echo chambers)
- Online relationship and Online safety (grooming, self-disclosure)
- To respect intellectual property rights

Cyber Wellness Programmes

Through various Cyber Wellness programmes in Queenstown Secondary School, students will learn to be **respectful, safe, and responsible users of technology**:

- Class discussions on cyber wellness issues during **CCE lessons**
- **Assembly Programme(s)** to share cyber wellness tips
- **Peer Support Culture** to promote a positive online presence.

Parents'/Guardians' Role

- Parents/guardians play a crucial role in guiding your child/ward to use devices responsibly and safely. We would like to partner parents/guardians so that students are well supported in their use of technology for learning.
- As parents/guardians, you can help in the following ways:
 - o Model good digital habits for your child/ward e.g., parents/guardians not using devices during family meals.
 - o Know your child/ward well and have conversations with your child/ward about safe and responsible use of technology.
 - o Discuss and come up with ground rules for internet/device usage that both your child/ward and you can agree with.
 - o Encourage your child/ward to use productivity tools on his/her PLD, to organise information and simplify tasks for efficiency.

Role of the MOE Device Management Application (DMA) in Providing a Safer Digital Environment for Learning

MOE DMA Installation

- The MOE DMA solution for Windows, Blocksi, is an app that will be installed on all students' PLDs to support their safe and responsible use of devices.
- The DMA will be funded by MOE.
- The installation of the MOE DMA applies to both devices purchased through the school and any student-owned devices that parents/guardians opt for the student to use instead of the school-prescribed PLD.
- The MOE DMA will be installed after the collection of the device. Students will be guided on the installation.
- The MOE DMA will be uninstalled from the device when students graduate or leave the school.

In-School DMA Settings (Default)

Schools will determine DMA settings for **in-school use**. As a default, these settings will continue to be in place after school as well:

- MOE and the school will set the level of web content filtering, including filtering objectionable content or content that may not be conducive to teaching and learning (e.g., online messaging, social media, pornography, gambling, or websites containing extremist content).¹
- Students will be able to use the device from 6:30am to 10:30pm daily. The device will shut down at 10:30 pm by default.²
- The school will determine the applications and programs to be installed to support teaching and learning.

¹ YouTube is not blocked by default as teachers use YouTube for teaching and learning. However, YouTube videos that are categorised as harmful by YouTube Restricted and Lightspeed Smart Play are blocked. [School should remove this footnote if it is blocking YouTube at the school-level]

² Schools have the flexibility to customise the following:

- start of school hours, provided they are **no earlier than 6:30am**;
- end of school hours / start of after-school hours (no restriction);
- End of after-school hours / start of device sleep hours, provided it is **no later than 10:30pm**.

After-School DMA Parent Options

- 1. After-School DMA Parent Options provide parents with the flexibility in managing their child’s/ward’s use of PLD after school hours.
- 2. The following tables outline the different levels of restrictions, controls, and monitoring for each DMA option after school hours.

Default	Option A	Option B
Default Setting (Note: This will apply if no alternative options are chosen)	DMA settings can be modified by Parents/Guardians after school hours	DMA will be inactive after school hours¹
For parents/guardians who want their child’s/ward’s use of the PLD to be restricted only to teaching and learning and prefer to leave it to the school to decide on DMA settings after school hours.	For parents/guardians who prefer to take charge of the level of restrictions for their child’s/ward’s use of the PLD after school hours regulated by the DMA.	For parents/guardians who do not want their child’s/ward’s use of the PLD after school hours to be regulated by the DMA at all.

¹ No data will be collected after school hours when the DMA is inactive.

- Having default school settings continue after school hours is the best option for parents/guardians who prefer not to, or do not feel ready to manage their child’s/ward’s device use on their own.
- Parents/guardians can request to change their choice of DMA settings, which is the existing practice.

Device and Funding Information

Queenstown Secondary School's PLD

The school will be using the
ACER TravelMate Spin TMB312RN-31
for teaching and learning.

Total cost of the bundle includes 4-year
warranty and 4-year insurance with GST:
\$648.50

12.2" HD Touch | Convertible
Intel N150 | Win11Pro | 8GB RAM | 256GB PCIe SSD
Active Stylus Pen

Queenstown Secondary School's PLD

The school chose the device because of:

- Portability (1.45 kg)
- Durability
- T&L Affordances (Windows)
- **Use of stylus to write (inking function)**
- **Touchscreen**

PLD Bundle

Device Bundle includes

- Model: **Acer TravelMate Spin TMB312RN-31 Convertible**
- Processor: **Intel N150**
- Memory (GB): **8GB LPDDR5 RAM (On-Board at factory level)**
- Storage (GB): **Upgrade to 256GB PCIe SSD (On-Board at factory level)**
- Add-on/Accessories Item: **Active Stylus Pen, Power Adaptor, Mouse, Carrier Bag**

Your child's/ward's PLD will come with the **Enhanced Device Bundle** which includes*:

- 4-year warranty and
- 4-year insurance (which includes 2 repairs or 1 replacement claim)

*The price of the PLD Bundle may appear to be higher than similar models on the retail market as the price of those devices usually does not include extended warranty and insurance coverage.

Insurance Coverage

The package includes a 4-year warranty, and 4-year insurance which includes:

Insurance Coverage	Claimable
• Fire • Lightning • Power Surges • Accidental e.g water spillage, drop etc • Theft due to forcible entry • Robbery * Accidental loss will not be covered by insurance.	2 repairs or 1 replacement (4-year insurance)

Technical Support for Students' Devices

Technical support will be provided to students through:

1. **Desktop Engineers** at our level 3 and level 4 computer labs for
 - Troubleshooting of device issues
 - Solve connectivity issues
 - Collection of devices to be sent for repairs
2. **ACER Service Centre**
 - Repair of devices (hardware issues)

Funding Support for Singapore Citizen (SC) Students

- **The cost of the device bundle can be paid using your child's/ward's Edusave account**, after setting aside provision for payment of miscellaneous fees.
- To ensure the affordability of devices, MOE has provided Edusave top-ups from 2020 to 2023 to all eligible Singaporean students in primary and secondary schools. In 2025, MOE has provided a \$500 Edusave top-up for students aged 13-16 years old.
- These top-ups are on top of the annual \$290 credited into the Edusave account for Secondary School students and \$230 for Primary School students.

Funding Support for Singapore Citizen (SC) Students

- For SC students who are on MOE Financial Assistance Scheme or whose family's monthly income meets the following criteria:

Gross Household Income (GHI) $\leq$ \$4,000, or

Per Capita Income (PCI) $\leq$ \$1,000

MOE will subsidise 50% of device bundle cost or \$350, whichever is lower.

- The remaining amount will be payable from the students' Edusave account. If there is insufficient balance in the students' Edusave account for the remaining amount, MOE will provide additional subsidy so that the cash out-of-pocket (OOP) is \$0.

What's Next?

Parental Consent for Procurement

1. Parents/Guardians can access the **Parental Consent for the Purchase of Personal Learning Device (PLD)** via a Parents Gateway (PG) notification* that has been sent to you on 5 January 2026.
2. Parents/Guardians who want to use Edusave funds for the PLD (for Singapore Citizens students only), please access: <https://go.gov.sg/edusaveformsgso> by 12 January 2026 to set up a **PDLP Standing Order** as this was not applicable during primary school.

* Parents/Guardians without access to PG can request for the hardcopy letter via your child's/ward's form teacher.

For Singapore Citizens (SC) Students

Time Frame	Activity
12 January 2026	<<For Government and Government-aided Schools, use this slide> 1. Submit: a. consent to PLD purchase via the PG notification which includes the following: • Intent to Purchase Personal Learning Device (PLD); • Authorisation Form for the Collection of PLD b. the Standing Order (SO) for the use of Edusave Account via https://go.gov.sg/edusaveformsgso (for Singapore Citizen students only) to set up a PDLP SO Parents without access to PG can submit their consent via hardcopy.
Term 2 Week 2, 2026	Collection of devices by students

For Permanent Residents / International Students

Time Frame	Activity
12 January 2026	Submit consent to PLD purchase which includes the following: • Intent to Purchase Personal Learning Device (PLD); • Authorisation Form for the Collection of PLD Parents without access to PG can submit a hardcopy form through their child's class mentor.
Upon receiving school bill via post	Parent/Guardian to make payment via Giro/PayNow
Term 2 Week 2, 2026	Collection of devices by students

Collection of Devices

Your child/ward will be collecting his/her device in school **from Term 2 2026**.

If you would like to personally/have another adult to verify the condition of the device during collection with your child/ward:

- You may collect the device personally or appoint an adult proxy to do so **at the vendor's service/collection centre***
- Your child/ward would need to bring the device to school and arrange for the school's IT department to install the DMA.

Please approach the school for further advice or clarification if you would like to make this arrangement.

*Parents/Guardians (or adult proxy) will **not** be able to collect the PLD from the school.
