Besides our annual commemorations such as Racial Harmony Day and National Day as well as Teachers' Day celebration, the school will also be conducting a Home-Based Learning (HBL) Day on 6 August 2026. This is part of the school's efforts to prepare students for learning continuity during periods of school closure. On this day, students will continue their learning from home through a mix of online and offline activities, including lessons conducted via Microsoft Teams, assignments on the Student Learning Space (SLS), and independent learning tasks. We seek your support in ensuring that your child/ward is able to participate meaningfully in the HBL experience.
