1 October 2026

FROM THE DESK OF THE PRINCIPAL

Dear Parents/ Guardians,

From 30 August to 1 September 2026, twenty-nine Primary 5 students travelled to Bali, Indonesia, on an overseas learning journey under WorldClass@YN, our signature initiative to build regional and cultural awareness.

As part of their Social Studies learning enrichment, students visited the Jatiluwih Rice Terraces and Taman Ayun Temple, both part of Bali's UNESCO World Heritage landscape, as well as the Garuda Wisnu Kencana Cultural Park. At Jatiluwih, they saw first-hand the rice cultivation practices they had studied through their Project Work. A key highlight of the trip was the reunion with students from Regents School Bali, whose students had visited us in 2025. Our students joined their host buddies and took part in hands-on Balinese cultural activities, building on the friendships they had formed during the earlier visit.

This three-day journey is but a small part of our YN students' education, but its value lies in what no classroom can fully offer: the opportunity to experience a neighbouring culture first-hand and to be welcomed into it. Our students returned with a broader understanding of our ASEAN neighbours and a deeper appreciation of what it means to be a thoughtful global citizen. The team will be sharing their learning and insights with their classmates and the wider school community in due course. We would also like to thank our parents for their continued trust and support in making this meaningful learning journey possible.

Our warmest congratulations to our Primary 6 students on completing the PSLE, and our heartfelt appreciation to their parents for supporting and encouraging them steadily through the months of preparation. Whatever the results may be, the PSLE cannot fully capture the many years of learning, growth and experiences that have shaped our students. Neither can it measure their character, curiosity, resilience or the care they show towards others, nor tell us how far they will go in the years ahead. We hope our students will continue to work hard, stay curious and treat others with kindness, knowing that these habits and dispositions will carry them further than any

score. We are proud of each and every one of them, and look forward to celebrating the remainder of the semester together.

Thank you for partnering us in nurturing our students to become confident, caring and active citizens. Your continued support strengthens the partnership between home and school, and we are deeply grateful for it.

In this letter, we would also like to take this opportunity to share some upcoming events, important reminders and recent school achievements with you. Do follow us on Facebook at <https://www.facebook.com/YNPSSingapore> for the latest updates and highlights of school life.

1. ACHIEVEMENTS & ACCOLADES

We are delighted to celebrate the achievements of our students across various competitions and platforms. Through their perseverance, teamwork and commitment to excellence, they have exemplified our school's GR³IT values. We also extend our heartfelt appreciation to our parents, teachers and coaches for their unwavering support in nurturing our students' holistic development.

In particular, we would like to extend our heartfelt congratulations to our student athletes who have performed commendably at the recent National School Games (NSG) in Tennis (Junior Boys), Badminton (Junior Divisions), Floorball (Junior Boys) and Table Tennis (Junior Divisions). Their achievements are a testament to their dedication, perseverance and strong team spirit. We are immensely proud of their efforts and accomplishments. **Please see Annex A for the full list of NSG achievements.**

2. UPCOMING EVENTS

2.1 Children's Day Celebrations

We will be celebrating Children's Day on Thursday, 1 October 2026. Please refer to the separate letter on the Children's Day Celebration 2026, posted on Parents Gateway on 22 September 2026, for more details on the day's programme. Students are to come dressed in their PE attire. Primary 3 to Primary 6 girls are to wear their skirts over their PE attire. As the school canteen will not be operating on that day, please prepare a more substantial snack for your child. **Students will be dismissed via the usual gates at 10.30am.** Kindly make the necessary dismissal arrangements for your child/ward.

2.2 Primary 5 Social Studies Learning Journey to Indian Heritage Centre

As part of their Social Studies curriculum, our Primary 5 students will be embarking on a field-based learning journey to the Indian Heritage Centre on 7, 21 and 23 October 2026. Through this learning journey, students will explore the contributions of the Indian community to Singapore's development and deepen their appreciation of Singapore's rich and diverse heritage. For more details, please refer to the letter sent via Parents Gateway on 18 September 2026.

2.3 Primary 3 Social Studies Learning Journey to Geylang Serai Heritage Gallery

Our Primary 3 students will be embarking on a Social Studies field-based learning journey to the Geylang Serai Heritage Gallery on 21 and 23 October 2026. Through this learning journey, students will explore the contributions of the Malay and Muslim communities to Singapore's development and deepen their understanding of Singapore's diverse heritage. For more details, please refer to the letter sent via Parents Gateway on 30 September 2026.

2.4 End-of-Year Oral Examinations

The End-of-Year Oral Examinations for Primary 3 to Primary 5 students will take place in Term 4, Week 4. These examinations will be conducted after school in the afternoons, with each level scheduled on different days. Students will be dismissed upon completing their oral examination, and staggered dismissal timings are expected. We kindly request parents to make the necessary transport arrangements for your child on the day of their examination. For specific dates and further details, please refer to the letter sent via Parents Gateway.

2.5 Primary 6 Post-PSLE Activities

As our Primary 6 Class of 2026 is nearing the end of their six-year journey at Yu Neng Primary School, the school has designed a special post-PSLE programme to provide meaningful and enriching experiences during this phase. Some key highlights of the programme include:

As our Primary 6 Class of 2026 approaches the end of their six-year journey at Yu Neng Primary School, the school has designed a special post-PSLE programme to provide students with meaningful, enriching and purposeful experiences during this transition period. Some key highlights of the programme include:

- a) Interdisciplinary Learning Journeys to Gardens by the Bay, where students will learn about sustainability, and to the Science Centre to explore the One Ocean exhibition;
- b) A three-day workshop on Artificial Intelligence (AI), where students will learn more about what AI is and how it is shaping the world around us;
- c) An introduction to bowling through the “Bowling for Beginners” programme; and
- d) A Values-In-Action (VIA) collaborative project with Kaki Bukit Community Centre, where students will reach out to families with greater needs in the neighbourhood.

For detailed information and the programme schedule, please refer to the letter sent to all Primary 6 parents via Parents Gateway on 23 September 2026.

2.6 Primary 1 Orientation for Class of 2032

We are excited to welcome our Primary 1 (2027) students and their parents to our upcoming Primary 1 Orientation Programme on Friday, 13 November 2026, from 2.30pm to 4.30pm. During the session, parents will attend a briefing to learn more about school routines, expectations and ways to support their children as they transition into primary school. At the same time, our incoming Primary 1 students will participate in engaging classroom activities designed to give them a glimpse of school life and help them feel more familiar and comfortable with their new environment. We look forward to meeting our incoming Primary 1 students and their families and welcoming them to the Yu Neng Primary School community.

2.7 End-of-Year Parent-Teacher Meeting (PTM)

Our third Parent-Teacher Meeting (PTM 3) has been scheduled for Wednesday, 18 November 2026, from 8.00am to 3.00pm for Primary 1 to Primary 5 students. This session provides a valuable opportunity for Form Teachers and Mother Tongue Language Teachers to meet with the parents/guardians of **selected students** to discuss their child’s progress, development and learning needs. **Please note that students are not required to report to school on that day.** A separate letter with further details on PTM 3 will be posted on Parents Gateway in due course. We remain committed to fostering strong home-school partnerships and working together to bring out the best in every student. We encourage parents/guardians of the selected students to make time for this important session.

4. IN CLOSING

As Children's Day approaches on 2 October, we celebrate every child at Yu Neng Primary School. This year's theme, "Being a WE Generation", reminds our students to look beyond themselves and care for the people around them through simple acts such as including a classmate, helping a friend or expressing gratitude to those who care for them. These are values that we seek to nurture in our students every day, and we are grateful for the important role families play in modelling and reinforcing them at home. Happy Children's Day to all our students!

Thank you for your continued partnership in nurturing our children to grow into confident, caring and thoughtful individuals.

Yours-in-Education

Mr Ng Yeow Ling
Principal
