Dear Parents/Guardians,

TERM 4 – KEY EVENTS, PROGRAMMES AND NOTIFICATIONS

REFLECTIONS ON TERM 3

1. We hope your child/ward had a good break and spent his/her time meaningfully during the September Holiday.
2. Term 3 was a busy and eventful term for our students. They commemorated Racial Harmony Day, celebrated National Day and ended the term with Keep Right programmes such as the Secondary 1's Sports Education Programme (SEP) cycling, Secondary 2's visit to the National Museum, Secondary 3's learning journey to Changi Naval Base. Meanwhile, our Secondary 4 seniors underwent intensive revision in preparation for the upcoming GCE N-Level examination. The term concluded with the Teachers' Day celebrations on the last day of school. Through these activities, your child/ward had opportunities to strengthen friendships with peers, foster a sense of pride and belonging to Singapore, and show appreciation to the teachers and staff who have contributed to their learning and growth.
3. We were honoured to welcome distinguished guests to our school during a memorable week of our Serve Up! lunch event. On Tuesday, 25 August 2026, we had the privilege of hosting Minister Desmond Lee, followed by Minister Grace Fu on Thursday, 27 August 2026. Their presence and support made our Serve Up! lunch event especially meaningful for our students.
4. The week culminated in a very special visit by President Tharman Shanmugaratnam and Ms Jane Ittogi on Friday, 28 August 2026. They enjoyed kaya toast, goreng pisang and tang yuan lovingly prepared and served by our ETP Club students, who had the opportunity to showcase their entrepreneurial skills and hospitality. He also took time to interact with our students, engaging them in conversation and encouraging them in their learning journey.
5. In Term 4, we will continue to provide a caring and enabling environment as your child/ward prepares for the End-of-Year and national examinations. A variety of enriching activities have also been planned as part of the End Right programme to support your child/ward's holistic development. Our Secondary 4 students will also come together on Graduation Day to commemorate their journey and celebrate their growth during their time at Crest Secondary School. You may refer to Annex A for the Calendar of Events for Term 4.

STUDENT MANAGEMENT – ATTIRE AND GROOMING

27. As Term 4 begins, we would like to remind you of our school's grooming standards to ensure that all students maintain a neat and appropriate appearance. Please take a moment to review your child's uniform, hair length and style, nails, accessories and overall presentation before they return to school.

28. A grooming check will be conducted during the first week of term. Students who do not meet the established guidelines will be given a specified period to rectify their appearance, after which a second check will be conducted in the second week. Should a student still not meet the required standards following the second check, they will be required to rectify their appearance before attending classes.

29. We appreciate your support in helping your child develop good grooming habits and contributing to a positive and conducive learning environment for all.

GENERAL REPAIR AND REDECORATION OF THE SCHOOL

30. As part of our ongoing efforts to maintain a safe, conducive and pleasant learning environment for our students, the school will be carrying out General Repair and Redecoration (GRR) works from Friday, 4 September 2026. The works are expected to be completed by Wednesday, 31 March 2027, and will include repairs, maintenance and redecoration of selected areas within the school. They will be carried out in phases.

31. The school, together with the appointed contractors, will put in place the necessary measures to minimise disruption to our students and staff and ensure that the school remains safe and functional throughout this period. Parents and students may experience occasional noise and temporary changes to access or the use of certain areas.

32. We seek the understanding and support of our parents and students during this period. The school will continue to monitor the progress closely and work with the contractors to minimise any inconvenience. We look forward to the completed works providing a more pleasant and conducive environment for our students and staff.

YEAR-END SCHOOL HOLIDAYS

33. During the year-end school holidays, the school will be open from 8.00 a.m. to 4.30 p.m., Mondays to Fridays. Our teaching staff will be on their protected year-end school holidays from Sunday, 29 November 2026 to Monday, 28 December 2026. During this period, teachers may not be contactable.

INSTRUCTIONS FOR 2027

SCHOOL UNIFORM AND TEXTBOOKS

34. The ordering of school uniforms and textbooks will be available both online and in-person. More details, including the price lists for uniforms and textbooks, will be communicated via Parents Gateway (PG) at a later date. We would like to share that there will be a change to the design of the school uniform top from 2027 onwards.

35. To ease the transition for our students and families, Sec 2 to Sec 4 students in 2027 will not be required to purchase the new uniform top. Students may continue wearing their existing uniform, which remains suitable for school use. We hope this arrangement will provide families with greater flexibility and convenience as we introduce the new uniform design.

MOE FAS 2027

36. There will be updates to the MOE Financial Assistance Scheme (FAS) for 2027. The school will communicate these updates via Parents Gateway in due course.

SCHOOL STARTING TIME FOR 2027

37. All students are expected to report to school on Monday, 4 January 2027, by 7.45 a.m. at the Multi-Purpose Hall (MPH) for the start of the new school year. Please ensure that your child/ward is in proper school attire and meets the school's grooming standards. Students who do not meet the required standards may not be allowed to join their class.

FINAL NOTE -

38. While Term 4 is a shorter school term, it is an important one as all Secondary 1 to 3 students will be taking their End-of-Year Assessments, which will affect their progression to the next level. We urge all parents/guardians to support and encourage their child/ward to stay focused on revision.

39. To our 11th graduating batch of Secondary 4 students, we wish them ***all the very best for their GCE N-Level and ISSC examinations***. To enable them to stay connected with the school after graduation, the school will request their personal contact details, including their contact numbers and email addresses, so that they can continue to receive information from Crest. Their iCON email accounts (ending with students.edu.sg) will be closed on Thursday, 31 December 2026. Students are requested to back up any files they wish to keep from their iCON accounts before the account closure date.

40. I hope everyone had a restful September school holiday and is rejuvenated and ready for Term 4.

Yours sincerely,

Mr Benjamin Kwok
Principal
