Our Journey

Building Stronger School Communities Together

What do we do?

- Partner with the school to support student's learning and well-being
- Mobilise parent volunteers to run school programmes and events smoothly
- Strengthen home-school communication and build a positive PSG community

Message from the PSG EXCO team

We're thrilled to bring you the very first edition of our PSG newsletter, packed with recaps of our recent activities, sharing key updates on our recent milestones.
The parent support group plays an important role to be the bridge connecting home, school, and community. Our PSG family is growing, and our hearts are full!
We are absolutely delighted to welcome more than 60 new members to the PSG in 2026 , with a wonderful turnout from our Primary 1 parents.

Our PSG heart beats strong!

Thanks to your phenomenal support, this year was packed with impact—powering more than 10 wonderful events and initiatives for GDPS and our community.

Together, we clocked brilliant service hours! We are bursting with gratitude for your time and radiant dedication. You are truly shaping a brighter, happier school experience for our children.

GDPS Parent Support Group

✦ Meet & Greet ✦

We were thrilled to kick off the year by welcoming our new team! Together, we shared the PSG vision, built connections, and mapped out an exciting year of events for our school community.

COMMUNITY INITIATIVES

✦ Dads for LIfe ✦

It was an absolute joy watching our fathers and children team up for some friendly competition and meaningful bonding over BBQ Dinner and sleepover @school followed by games and Breakfast with Dad the next morning.
. Thank you to all the active dads who stepped up to show our kids what strong, present fatherhood looks like! 🙌

Fun Friday @ Recess

A collaboration with GDPS math department

From brainstorming a fantastic lineup of tailored math activities to interactive challenges, our parent volunteers were right there on the ground assisting the students. It was wonderful to watch the kids immerse themselves in the games, enjoying every moment while naturally leveling up their problem-solving and critical thinking skills!

GDPS Open House 2026

In the lead-up to the event, PSG volunteers dedicate their time and creativity to venue decoration. During the event, working alongside the staff and student leaders, we warmly welcome visitors, connect with prospective parents, and help guide families through the activities at the different stations and shared what PSG does encouraging them to join us in 2027 .

PSG Catch-up Session

Connecting, celebrating, and charting the path forward together!

Beyond the fun, it was wonderful to spend meaningful time connecting with all active PSG members , getting words of encouragement from school leaders , and discussing opportunities for members to step up as co-ICs for upcoming events.

Racial Harmony Day

The theme 'Our People, Our Tapestry'.

Acting as guides and mentors, PSG members assisted the students as they participated in diverse hands-on activities, ensuring everyone engaged safely while learning.Through the collective efforts of the school and the PSG, the activities successfully achieved their core objectives: deepening the students' understanding of Singapore's rich heritage and fostering a strong, shared sense of cohesion and harmony across all levels.

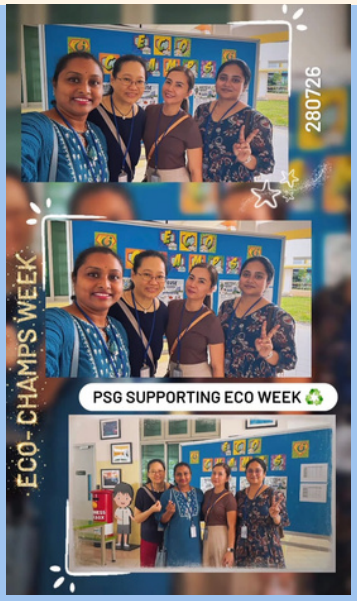

Eco - Champs Week

Engaging the young Eco Champs through interactive stations during recess where students learn ways to care for the environment

National Day

One People One National One Singapore

The school invited PSG EXCO to join the National Day celebrations and share in this meaningful occasion, honouring our shared spirit of unity and togetherness.

Teacher's Day

Wonderland - Storybook comes alive

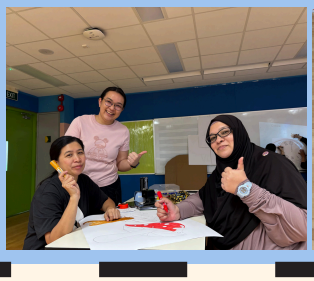

PSG brought the Teachers' Day-themed Wonderland to life with teamwork and heart. Together with the school, we decorated the campus, organised class-based games, and performed to celebrate and thank our teachers.

Children's Day

Purple Parade

The PSG team volunteered to help transform the school for Children's Day, bringing the Purple Parade theme to life. Working closely with the school, they gave their best, supported the celebrations, and showed the spirit of teamwork throughout.
