

English, Mathematics and Mother Tongue programmes

YUHUA PRIMARY SCHOOL

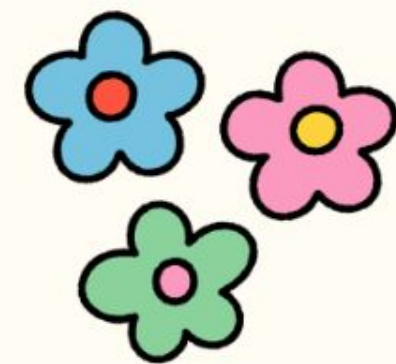

English programmes

Using Thinking Routines to
foster deeper thinking

Big Book Reading

Engaging in a role play based
on the big book

**Our first Learning Journey
to the Zoo**

Big Book Reading

**Using technology to learn about
how to write a story during
Writing lessons**

READ @ Yuhua

Our first trip to the school library

Sharing our experiences of the
different genres during READ

READ @ Yuhua

Preparing for our Costume Parade

Mathematics programmes

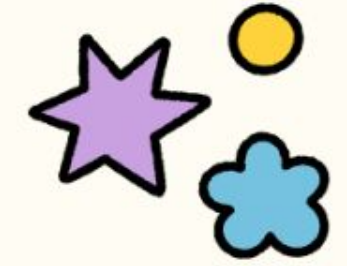

WeCaN practices and quizzes

We practise on the mathematics facts we have learnt daily.

Maths Learning Activities

We have a lot of fun using the interactive screen and other manipulatives for our learning!

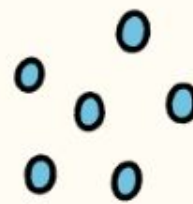

Outdoor Learning Experience (OLE)

We move out of our classrooms to apply the mathematics concepts we have learnt! We love OLE!

Our very first experience at the
FAME Corner during recess!
It was fun playing with my
friends from different classes!

FAME Corner

Mother Tongue programmes

谢谢 நன்றி

terima kasih

Mother Tongue Learning Activities

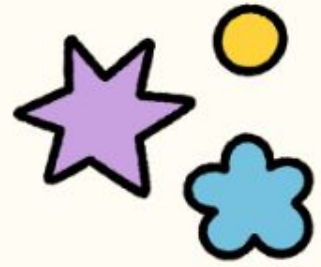

We love using ICT tools to learn our Mother Tongue languages. The learning is so fun!

Our Reading Programme

We love exploring the world through reading. Our teachers introduced many interesting stories in our Mother Tongue Languages to us. 📖

Speak Confidently, Shine Brightly!

We can confidently express
ourselves in our Mother Tongue
Languages through show and tell
and role play. ❤️
