

Physical Education, Music and Art, PAL and FLIGHT programmes

YUHUA PRIMARY SCHOOL

Physical Education programmes

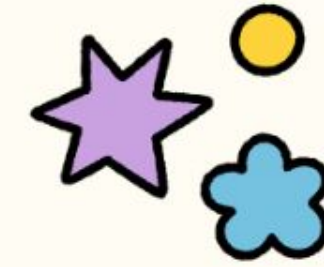

Lower Primary PE programme

We learn fundamental motor skills like rolling, throwing and catching and movement concepts like galloping, skipping and sliding amongst others.

Lower Primary Games

We partner with our big buddies to work together and play games through a carnival-style platform.

Art programmes

Art lessons

With the use of oil pastels, we learn to draw self portraits in Picasso style & circles, origami and even fruit houses!

Arts Festival

Our artwork are displayed to form an art gallery, with arts activities during our recess.

Music programmes

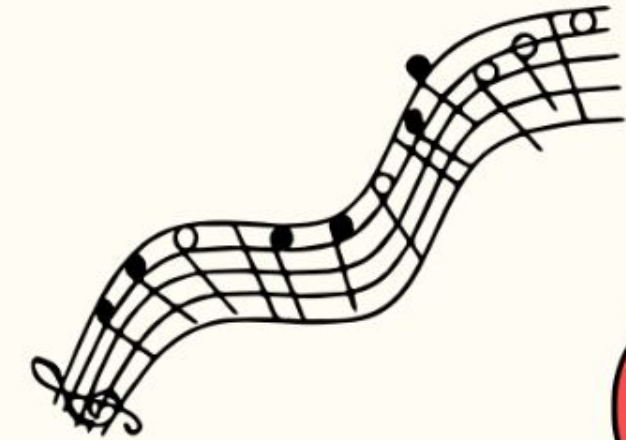

Music Lessons

We learn to play
percussion instruments
and infuse into our
composition!

Arts Festival: Music Performance

**We build
confidence
through musical
performances**

Programme for Active Learning programmes (PAL)

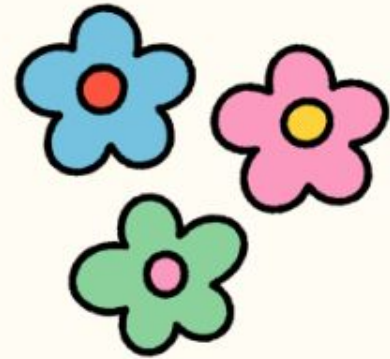

Programme for Active Learning (PAL) Art

We learn to be creative, curious and cooperative through fun and varied activities in Sports & Games, Outdoor Education, Performing Arts and Visual Arts modules.

Programme for Active Learning (PAL) Dance

We learn to mirror dance movements and get creative by coming out with different dance steps.

Programme for Active Learning (PAL)

Outdoor Education

We learn to appreciate and respect the nature through observations and playing games outdoor.

FLIGHT programmes

FLIGHT lessons

We learnt how to search for information online safely using Kiddie.

TechPlay (coding skills) ✨🌸

Learning coding is fun! We love learning about programming using Coding Awbie with our friends!
