Deadline

**March 2, 2026**

Notification of  
Acceptance

**July 6, 2026**

E- Poster & Oral  
Presentation  
Submission

**August 13, 2026**

#### Submission Guidelines

Research Abstracts must align with conference themes. All submissions will undergo review and shortlisting.

### Abstract Criteria

Studies with research methodologies or designs are eligible.  
(Projects from Year 2022 to Feb 2026)

Abstracts exploring all aspects of wound management, including clinical practices, technological innovations, evidence-based treatments and multidisciplinary approaches across acute, chronic and specialty wound care are encouraged to be submitted.

Studies that have won an award or are published are not eligible.
