

CARE MANAGEMENT FOR PEOPLE WITH SCABIES

Overview

This course aims to equip nurses with the knowledge and dermatological skills necessary to care for and manage individuals with scabies, thereby preventing its spread. A half-day clinical attachment with hands-on experience in skin scraping will be provided.

Duration

0.5 Day (Theory) & 0.5 Day (Practicum)

Run Dates

Run	Theory	Practicum
Run 1	08 Apr 2026 (1pm-5pm)	15 Apr 2026 (8am-12pm or 1pm-5pm)

Target Audience

Registered Nurses with at least 1-year experience in a dermatology setting within a healthcare institution.

About the Organiser

The National Skin Centre (NSC) is an ambulatory specialist outpatient dermatological centre supported by a multidisciplinary team with the experience and expertise to treat a wide variety of skin conditions. The Centre facilitates subspecialisation with a national focus on treatment, training, research, and innovation for skin diseases and prevention. NSC is firmly established as a reputable dermatology centre in Singapore and the region. NSC collaborates with the Agency for Science, Technology and Research (A*STAR) and Nanyang Technological University (NTU) to operate the Skin Research Institute of Singapore (SRIS), which focuses on conducting high-impact, interdisciplinary skin research designed to translate into improved health outcomes and quality of life.

Course Objectives

At the end of the session, learners will be able to:

1. Identify the appropriate lesions to sample.
2. Apply the correct requisites to use.
3. Apply the correct technique of skin scraping.
4. Demonstrate the correct amount of skin sampling to obtain.

Learning Methodology

1. Theoretical
2. Video
3. Practical Demonstration
4. Competency Assessment

Course Assessment

Each participant will need to perform 2 satisfactory skin scrapes after the training, contingent on the availability of suitable cases.

Training Capacity

Minimum of 5 participants per run

Course Fees

\$250 (NHG staff / SNA) \$300 (Non-NHG staff) *Price is subjected to GST

Training Venue

National Skin Centre, 1 Mandalay Road, Singapore 308205

Closing Date for Registration

- Run 1: 06 Mar 2026
