

# SIMULATION RECONNECT 2026

Connecting Quality  
Improvement & Simulation

16 July 2026  
Masterclasses

17 July 2026  
Symposium

Woodlands Health Campus, Singapore

Bond University's Healthcare Simulation Symposium  
is coming to Singapore for the first time!

Join us at Woodlands Health Campus for a two-day event featuring:

- Talks on the latest in simulation to drive quality, safety, and organisational learning
- Expert-led workshops on simulation design for system change and team development
- Networking with practitioners from Singapore, Australia, and beyond
