

Orthopaedic and Urology Nurses Chapter
Seminar: Understanding Partnerships with Patients / Clients
 Saturday, 18 April 2026, 08.00 am to 12.00 pm
 Venue: Function Rooms 1 & 2, Level 2, SingHealth Tower

GUEST-OF-HONOUR
 Ms Tan Soh Chin
 Senior Director (Special Projects), SingHealth

Nurses are the BEST patients' advocates. The nurse-to-patient relationship and patient outcomes are enhanced through an understanding of partnership, where a patient's unique experiential knowledge is recognized in the process of shared decision making. This seminar will be emphasizing about patients' rights, patient-centered care, legal accountability, professional boundaries and promote clinical decision-making.
