14 September 2026

Dear Parents/Guardians

As we begin Term 4, we warmly welcome our students back after the September holidays. The final term of the school year is an important one as students consolidate their learning, prepare for their year-end assessments, and bring the year to a meaningful close. Beyond their academic learning, they will also continue to take part in a range of programmes and experiences designed to strengthen their character, confidence and personal growth.

As we journey through the final weeks of 2026, we look forward to sharing the many learning experiences and highlights of the term with you. We value your continued partnership and support as we work together to help our students finish the year well and celebrate their growth and achievements.
