H3 Programme – Synopsis: Semester 2, Academic Year 2026/2027

GEC1007 GEOPOLITICS: GEOGRAPHIES OF WAR & PEACE

Geopolitics: Geographies of War & Peace introduces key ideas and contemporary themes of geopolitics. Geopolitics draws upon a lot of "popular" geopolitics materials in the form of video, film, blogs, images and other multi-media to illustrate key issues. Students will learn about the geography of conflict, war and peace-making from the Cold War through to current times. Students will be led to understand the current trends and debates, including issues, such as: territorial conflicts, peacekeeping, environmental geopolitics, and AI geopolitics. The course introduces students to a wide-range of sources and encourages critical use of media, academic material and internet resources. The objective of the course is to develop a deeper and life-long understanding of the geography of international affairs.
