Some useful advice for your examinations

1. Before you enter the examination venue, check that you:

Do NOT have any unauthorised devices (e.g. mobile phone, smart watch etc) or any unauthorised materials (e.g. notes, formulae sheet etc) in your possession (e.g., in your pencil case);

2. When you are inside the examination venue,

Do NOT communicate with other candidates;

Do NOT attempt or support any dishonesty act;

Do NOT remove any examination material e.g. writing papers without permission

If you fail to comply with the rules and regulations or any other additional instructions issued by SEAB, you would be deemed to have breached the examination rules and regulations and your results may be terminated.

Clarify any doubts that you may have on the examination rules and regulations with your science teachers.

Have enough rest.

Drink sufficient water to keep yourself well-hydrated.

Eat healthily to avoid falling sick during the examinations period.

Stay calm, you have done your revision. You can do it!
