

Experiencing WGPs

CAMP H.O.P.E (Harvesting Our Positive Experiences)

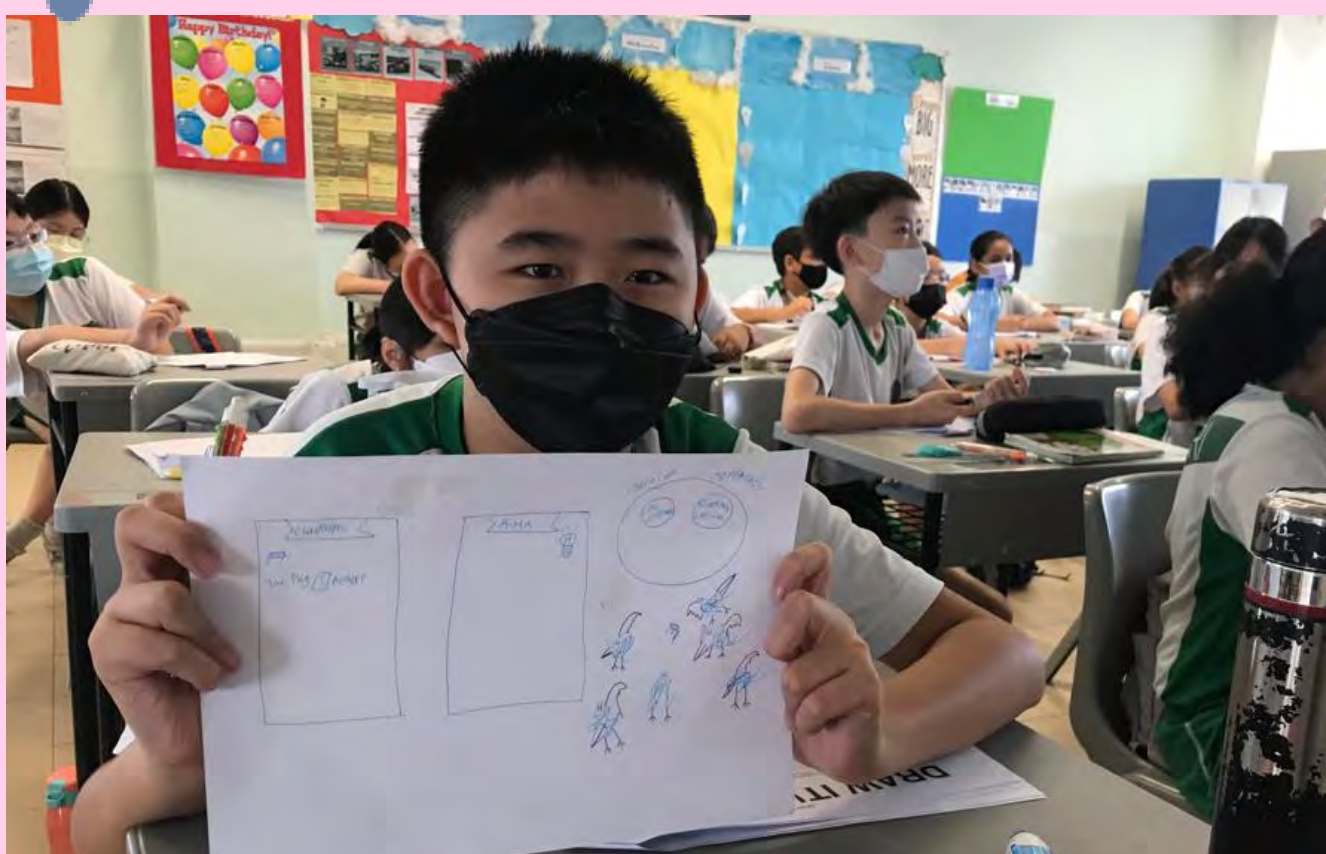

Beautiful memories were created at Camp Hope (Part 1) – A 2-day camp where P6 Woodgrovians learnt useful study skills such as visual sketchnoting; engaged in revision through fun games such as Kahoot and Win-Lose-or-Draw; and bonded through level activities such as the PE challenge and ice-cream party. At the end of the camp, each P6 Woodgrovian received a personalized card and badge to motivate them to march confidently forward on their last stretch of their primary school education. These activities would have undoubtedly enriched their positive experiences at Woodgrove.
