Term 2 Woodgrovian Experience

In Term 2, P4 Woodgrovian experience was filled with meaningful moments and personal growth. To continue to pique their interest in reading, Library Week sparked curiosity as Woodgrovians embarked on a fun Bingo challenge using their Library Quest Cards. They also commemorated International Friendship Day by making colorful friendship bands to be gifted to the Singapore Children's Society, showing care and compassion for the wider community. A² Star Day provided a wonderful opportunity for students to practice gratitude to the school community by crafting beautiful card bouquets. The term wrapped up on a high note with P4 Camp Sparkle, where students focussed on developing essential emotion self-regulation and leadership skills via role-play and team activities, ending the term with smiles, resilience, and a great sense of accomplishment!
