

EXPERIENCING WORDS

TERM 2 WOODGROVIAN EXPERIENCE

In Term 2, our Primary 1 Woodgrovians engaged in several enjoyable activities such as making friendship bracelets as part of the International Friendship Day Commemoration. They were overjoyed to receive notebooks for having accumulated points in unlocking the next achievement tier for their level, strengthening their self-motivation. Our Woodgrovians also revelled in the opportunity to learn the choreography for an upbeat rendition of the school song, taking immense pride in showcasing their polished dance moves to the delight of their peers and teachers.
