TERM 2 WOODGROVIAN EXPERIENCE

In Term 2, our Primary 5 Woodgrovians engaged in a diverse range of enjoyable activities, such as creating friendship bracelets as part of the International Friendship Day Commemoration, receiving their level notebooks for achievement in level points, strengthening their self-motivation, and learning the choreography for an upbeat rendition of the school song to showcase their fantastic dance moves. They also visited the Indian Heritage Centre for their cohort learning journey, which enhanced their understanding of Singapore's heritage and culture through hands-on interaction.
